## OverThrow King Obama Starts @ January 26 Trial in State of Georgia

<http://www.art2superpac.com/livevideo.html>

Barack Hussein Obama aka Barry Soetoro has been ORDERED to appear in court TOMORROW -- for his FIRST EVER Constitutional eligibility hearing! Obama must defend against charges that he is NOT ELIGIBLE to be on the Presidential Primary ballot because he's NOT a natural-born citizen! This case is about Constitutional standard for Natural Born Citizen —born of both parents who are American Citizens— not about whether Obama was actually born in Hawaii, even though there is plenty of evidence showing that he was born in Kenya. Under that standard, Obama can NOT qualify, because his father

was a citizen of Kenya, as a subject of the United Kingdom, at Obama's birth!

Residents of the State of Georgia have become the first state to pursue Obama ballot ineligibility complaints and the end result may keep usurper Barack Obama OFF the Georgia 2012 ballot! We all know that four more years of Barack Hussein Obama would be DISASTROUS for America. Obamacare, bank bailout, Solyndra "eco-scams", unconstitutional recess appointments and undeclared wars, indefinite detention of American citizens, tax increases, etc. We can't TAKE four more years of this OBAMANATION!

Obama's attorneys immediately filed a motion to dismiss. But on January 3, 2012 Judge Malihi denied Obama's motion! Then Obama tried to quash the subpoena ordering him to appear in court, but the judge REJECTED their request!

In his order, judge Malihi noted that Obama's legal team had argued that no president should be compelled to attend a court hearing.

Georgia law allows a voter to challenge candidate Obama's Constitutional qualifications to hold the office of President.

In *Minor v. Happersett*, 88 U.S. 162 (1875), the U.S. Supreme Court ruled: ".....it was never doubted that all children born in a country of parents who were its citizens became themselves, upon their birth, citizens also. These were natives or natural-born citizens, as distinguished from aliens or foreigners. ....". That, and *USvsWong*, and earlier rulings, like *The Venus*, 12 U.S. 8 Cranch 253 253 (1814), *Shanks v. Dupont*, 28 U.S. 3 Pet. 242 242 (1830), and *Dred Scott v. Sandford*, 60 U.S. 393 (1857), the U.S. Supreme Court has made it perfectly clear: a "natural born Citizen" is one who is born on U.S. soil to U.S. citizen parents.

Barack Hussein Obama II is, therefore, NOT a natural born citizen -- and MUST be removed from the Presidential ballots in ALL FIFTY STATES. But it is up to residents of Hawaii to prevent Obama from appearing on 2012 ballot by mandating the Hawaii Office of Elections disqualify Obama because he is not a natural born American citizen as required under Article II, Section 1, Clause 5 of the U.S. Constitution. At this time the Hawaii Democrat Party has not submitted Obama's name for re-election.

### Dear Hawaii Elections Officers:

EXCLUDE Barack Obama From Our Hawaii Ballot 2012

I'm writing to ask you to please EXCLUDE the name of Barack Hussein Obama II from our Hawaii State's presidential election ballot 2012, due to his ineligibility to serve in that office under Article II, Section 1, Clause 5 of the U.S. Constitution.

Barack Hussein Obama II has publicly admitted his father, Barack Obama Sr., was a Kenyan native and a British subject whose citizenship status was governed by The British Nationality Act of 1948. Barack Obama Sr. NEVER became a U.S. citizen. Therefore, Barack Hussein Obama II is not now, and NEVER can be, a NATURAL BORN CITIZEN of the United States.

Jurisdiction falls squarely on your shoulders as head of the State's office that conducts elections, and it is your sworn duty as a person of honor and a public servant to protect and defend the U.S. Constitution. That Constitution that is now under attack and assault by the Democratic National Committee for having failed in their responsibility to submit an eligible candidate for inclusion on this State's ballot. Please, do the RIGHT thing: EXCLUDE the name of Barack Hussein Obama II from our Hawaii State's presidential election ballot 2012, due to Obama's ineligibility to serve in that office under Article II, Section 1, Clause 5 of the U.S. Constitution.

Sincerely, and mahalos,

## Martial Law Imposed on Molokai Harbor Is TREASON

Saturday January 21, 2012, without any prior notice to Molokai Advertiser-News, all of Kaunakakai Harbor was called a "federal security zone" for the benefit of a large cruise ship AmericanSafari, and all local boaters' rights to navigate was prohibited. US Coast Guard personnel said such order came from Capt Numan of Honolulu. This was obviously a military operation, and was enhanced by the presence of about 150 law enforce officers from State Sheriffs to DOCARE to Maui Police all armed with weapons of deadly force. Many brown shirts and MPD cops with bad hostile attitudes on display behind their guns and other weapons led to escalation of tensions already created by the overwhelming show of force they made to establish their hegemony against about 80 peaceful demonstrators with signs; a very hostile display of hegemony intended to suppress 1st Amendment freedom of speech and press, against demonstrations and assembly, a severe over reaction given the circumstances to suppress petition for redress of grievances against the land based tour operations of American Safari Cruises.

The navigation rights of American Safari vessel was protected by prohibiting the lawful navigation rights of everyone else who accesses ocean at Kaunakakai Harbor for fishing boats, canoe paddling, sailing, surfing, swimming. But, there are navigation rules that must be enforced for benefit of all, not just for benefit of American Safari boats. [ Continued page 2 ]

# American Safari and Martial Law is TREASON Jan 21

[Continued from page 1] .....there are navigation rules that must be enforced for benefit of all, not just for benefit of American Safari boats.

This display of martial law overwhelming every other kind of civil law including the Constitution for the United States of America and the Bill of Rights is an abomination, it is TREASON.

Dear U.S. Coast Guard, please answer these questions:

1. Who ordered that the exclusive federal security zone be established at Kaunakakai for benefit of Safari Cruise ship?
2. Who decided the boundaries of this exclusive federal security zone?
3. What law authorized this military operation to enforce the exclusive federal security zone?
4. Who ordered heavily armed MPD, Sheriffs, and MPD involvement ?
5. Do you realize that all military authority is subordinate to Civil Authority of We The People; and, that government agency is created to ensure the rights of We The People ?
6. While the Safari Cruise boats have rights to navigation into Kaunakakai, the USCG and DLNR should be protecting everyone's rights to navigation, and arresting ONLY those who violate the navigation rights of others, not punishing everybody on Molokai with a general prohibition on navigation with a martial law enforced federal security zone. These actions display the Police State of America, the goons, the outlaws, the traitors and their TREASON !

## Police State Is Watching US with Drones Helicopters Posing as Federal Farmers?

The US Navy and the US Department of Agriculture have teamed up to use Robotic Copters to keep tabs on the Navy's new Biofuel Plants on Maui. The \$10-M project is 35,000 acres Maui fields of HCS. The USDA are turning to a tiny robotic helicopter to help them figure out which crop they might be able to convert into their fuel of the future. Leptron corporation's tiny drone helicopter, the Avenger, is pictured below as a surveillance drone.

But these of unmanned aircraft to carry out assassinations is on the rise internationally, and an expansion of surveillance on Americans is occurring as well from the land, the sea, and, now, the air.

Online news and commentary site "Talking Points Memo" reported last month that police in Arlington, Texas have a surveillance drone and that the mayor of Ogden, Utah was working to get an unmanned blimp that would "fly over the city and serve as a deterrent to crime." Also, in North Dakota, the report said, one family was arrested with the help of a Predator B drone. The article also revealed that the Houston police chief is considering using drones for issuing traffic tickets. [Hey, why not admit it, police will use drones to kill, too.]

# Obama's Eric Holder's attack on Bill of Rights is Beat down!

The U.S. Supreme Court yesterday 2-24 unanimously sided with Gun Owners of America in finding that the placement of a Global Positioning Device on an automobile constitutes a "search" for purposes of the Fourth Amendment.

The majority opinion in U.S. v. Jones was written by Justice Antonin Scalia and follows GOA's reasoning against the Obama/Holder who argued that because the police could theoretically follow Antoine Jones' car, he had no "reasonable expectation of privacy," and thus, placing a GPS device on his car was justified. GOA argued, however, that this constituted an "unreasonable search and seizure" which violates the Fourth Amendment of the Constitution.

This decision will have dramatic ramifications for gun owners. Indeed, the Court looked to the Founders' intentions with respect to the Fourth Amendment, which, until the latter part of the 20th Century, was understood to restrict the ability of police to "trespass" upon the persons or property of Americans.

"This is no less than a fundamental transformation of American jurisprudence concerning searches and seizures," according to GOA's Executive Director Larry Pratt. "And it is a transformation which throws out fake modern jurisprudence and restores the Founders' intent."

The "reasonable expectation of privacy" test flowed from a Justice Harlan concurring opinion in Katz v. United States, 389 U.S. 347 (1967). Gun Owners of America had argued that the Supreme Court should jettison that decision by an activist court, and a majority of the justices agreed.

"The 'expectation of privacy' test for searches and seizures arose without support in the text or historical context of the Fourth Amendment, and has proven wholly inadequate to protect the American people from their government," argued GOA.

Four members of the court -- led by Samuel Alito, and joined by Ruth Bader Ginsburg, Stephen Breyer, and Elena Kagan -- argued for the continuation of the "reasonable expectation of privacy test," but concluded that planting a GPS device on a car for 28 days constituted a Fourth Amendment "search".

The Obama administration, which had argued that planting a GPS device on a car was not a "search" under the Harlan standard, was unanimously repudiated by the High Court. And the case is being cited by the mainstream media as a defeat for Obama and his Justice Department, which is led by Attorney General Eric "Fast and Furious" Holder

Said Pratt: "This is yet another failure by Eric Holder, the most corrupt and incompetent Attorney General in the history of the Republic." Now is the time to put an end to Eric Holder's scandalous mismanagement of the nation's highest law enforcement office. Now is the time for Eric Holder to step down as head of Barack Obama's Department of Justice! How many more outrageous cases will Eric Holder initiate to advance the Obama's political interests?

Damn right, way past time, DO IT NOW !!

## Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. ### Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

## Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

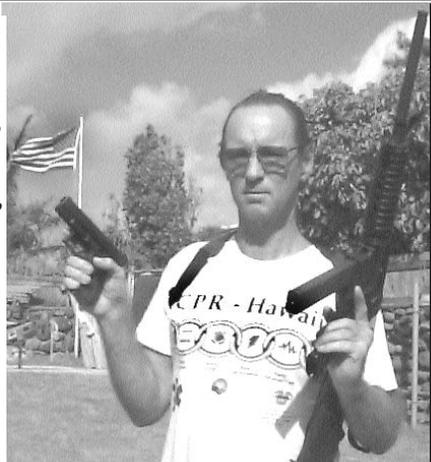

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

**Wake up ! Enforce the Bill of Rights !**

# Chinese Dragon Year 2012

*Kung Hee Fat Choy!*

Happy Year of the Dragon. The Chinese Lunar New Year was celebrated on Molokai by a variety of observances. Gifts of Chinese confections, Chinese lunch, Chinese Buddhist lo han chai dinner, and displays commemorated this Year of the Dragon.

Each year at this time, Mr. Kenneth Nip creates a display at the Molokai Public Library. This year, his display featured the Year of the Dragon and other illustrations of the traditional Chinese New Year including books, fruit and collectable toys. We caught up with Mr. Nip on Monday at the Senior

Center, wearing his lucky red t-shirt, playing cards with friends. The former teacher continues his volunteer work at the Molokai Library, senior center and AARP.

Across the island, Mr. Samuel Yap, wearing his red t-shirt was busy at work maintaining the yard and the Irwin Health Center. Mr. Yap will celebrate his 81st birthday on February 9th. He was born on Maui and came to Molokai with his wife Mrs. Ruth Yap, a retired public health nurse. Mr. Yap continues keeping a variety of jobs. He enjoys helping "old folks" with their yards. He has even had a part in the film "Father Damien."

Special *Kung Hee Fat Choy* and good health and happiness to these two distinguished men.

## American Freedoms Betrayed: Impeach!

Do you all realize yet just how much your freedoms have been betrayed by the signing of the NDAA Bill? Any politician, including Obama is on the side of treason and treachery who signed this into law.

Senator John McCain(R) and Senator Carl Levin (D) sponsored the NDAA Bill, knowing full well that it was a complete violation of our Miranda rights, Constitution, Posse Comitatus and freedoms. It sets American patriots and conservatives up to be disappeared.

Drama queen Obama was promising all the way along to Veto this bill. The truth was that according to Senator Levin, Obama wouldn't agree to sign it if the part about focusing potential arrests for terror suspicions wasn't aimed at U.S. citizens. The Senate should have stone walled it and kept it from going forward when Obama made his threats and ultimatum. Instead they were cowards and fascists.

Now, our military can legally grab you anytime out of your home without charges and whisk you off to Gitmo or any place in the world. That is indefinitely, without charges, no trial, and no phone call to your honey or anything. Disappear

Of course Heir Obama gave us a warm fuzzy the other day that he wouldn't use his power against U.S. citizens. Isn't that comforting, especially since Homeland Security, under Obama leaked the MIAC report in 2008 describing just about everyone as potential domestic terrorists? That included, pro life, pro 2nd amendment, pro state and federal sovereignty, those uncomfortable with Communist regimes and returning vets. That pretty much defines most of America as terrorists already.

Then we saw the activation of the FEMA camps, at least 72 of them peppered all across the country. Gee, its almost as if Heir Obama is planning or expecting a revolt or contrived national disaster.

As unconstitutional as this bill is, Romney (Obama light) said he supported the NDAA Bill when asked about it in the last debate. How could any real American support such a Bill that literally shreds our rights and gives Dictatorial powers to the President and military.

People say you can't lead if you don't have political experience. I say you can't lead if you don't love God and your country and have enough guts to do the right thing at the right time to uphold, preserve and defend the Constitution for the United States of America. AMERICA'S FORSAKEN PROMISE

## Part X Evil Creep Choosing to be Ruled by a Lesser Evil

Half-measures avail us nothing but disappointment and suffering in the end. Philosophically, when faced with two evils it is probably best to choose neither. When faced with two good things, whenever possible choose both.

Human nature being what it is, a winning candidate for office will not consider himself an elected lesser evil; instead, if he even bothers to care he will conduct himself as though those who elected him support his agenda, however unlawful it might be.

Regardless of the possibility of gaining some temporary advantage for myself, I cannot violate my own conscience by encouraging those who are intellectually dishonest or downright wicked.

The lesser-of-evils vote has resulted in the two major parties becoming virtually indistinguishable in their actions - they are in fact near-identical factions seeking control of an enormous economic turf. Once they are in office, they sleep with the enemy by routinely engaging in what is referred to euphemistically as "bipartisanship".

The lesser evil is still evil.

Consider the cumulative effect of choosing the lesser evil for half a century and a dozen presidential elections. In the very early days of car making, when automobiles were fabricated and assembled by hand, there was a problem called error-creep. As the machine was assembled, the fabricate-'em-as-you-assemble-'em method never quite resulted in parts that fit uniformly, so, they had to be modified. The modifying continued until there was an increasingly serious misalignment of modified parts that had to be laboriously dealt with in order to complete the assembly. Like the semi-cobbled cars with their awful error creep, American regimes du jour, and the factions that they serve, suffer from evil- creep. So severe is evil-creep today, that it has all but nullified the Bill of Rights . . . unpardonably alienating certain unalienable rights. The consequences of evil-creep have become so dreadfully un-American, that it is unlikely that anything less than a Philosophical Renaissance or a bloody revolution can restore America to it's former philosophical righteousness.

For me to vote for what I know to be merely a lesser evil is an insult to my common sense, and my hard earned critical thinking skill as well. Faced with such a dilemma, I'm convinced that it is simply best not to vote. Perhaps someday None Of The Above will appear on every ballot, thereby making it possible for one who is politically disenchanted to vote his conscience.

### ALLIANCE for GOOD GOVERNMENT?

A so-called Alliance for Good Government is rarely very good for the lawfully self-sufficient, tax-paying lay folk. I submit that any alliance concerning good government must be an Alliance for Lawful Government. And a lawful government must never initiate and support any violation or contravention of the Principles supporting the Declaration of Independence with its Bill of Charges Against the Crown.

A dedicated Alliance for Lawful Government in every jurisdiction in America could reduce corruption to a manageable trickle and put the United States back on the lawful Philosophical Course chartered by the Founders.

Lawfully self-sufficient lay folk would be wise to display solidarity in disabusing America of the illegitimate Legal System that has supplanted the legitimate Law of the Land.

In spite of their diplomas and credentials, the Officers of the Court, i.e., lawyers, along with Career Office Holders, a disproportionate number of whom are lawyers, know nothing that any literate adult is incapable of knowing. Furthermore, the "equal protection of the laws" clause in the Fourteenth Amendment brooks no exception. And even further, they wield no lawful power not possessed by every other Citizen. Is an Officer of the Court a public sector person or is s/he a private sector person?

According to attorney Michael H. Brown, "The law is the weapon, the courtroom the battlefield, the judge your enemy and your lawyer is an enemy spy." So then, whose side are attorneys really on? I submit that they are on their own side as they profitably cooperate within their de facto Brotherhood of Juris Doctors.

The Unanimous Declaration became America's organic law through the July 1776 action of the Second Continental Congress. No Power that violates or contravenes the Principles that inspired that incomparable Action has Lawful Authority. Organic Law. The fundamental law, or constitution, of a state or nation, written or unwritten. That law or system of laws or principles which defines and establishes the organization of its government. - Black's Law Dict, Sixth Edition

Elections alone cannot salvage respect for the American Ideal that is so eloquently expressed in the second paragraph of the Unanimous Declaration. Fortunately, the tools exist for the self-sufficient taxpaying lay folk to take the Law of the Land into their own hands where it lawfully belongs. By so doing they can disabuse America of the illegitimate System of Precedents and Interpretive Violence that continues to wreak havoc with Liberty and Justice. To fix our broken America, a sufficient number of lay folk need only claim their Lawful Power and display solidarity in wielding that power.

Should that come to pass, the individuals now doing vile things under the color of laws that are intrinsically criminal will be squirming like fat caterpillars that have fallen into a campfire.

## IMPEACH OBAMA Tell Congress

Barack Obama is indeed succeeding in his plans to "transform America," but not in the way voters expected on Election Day in 2008. The number of the president's actions that arguably qualify as impeachable offenses is staggering.

# Hawaii's Congresspeople Must Keep the Oath, Stop Obama

Dear Representative Hirono,

Dear Senator Akaka,

Dear Senator Inouye,

The United States government has three separate branches, meant to challenge one another and keep checks and balances on each, so that no branch assumes more power over the others.

As a patriotic and law-abiding citizen, I am therefore extremely dismayed to see how President Barack Obama has used his Executive Branch power to bypass Congress and implement czars, policies, regulations and appointments without any oversight.

America is not a monarchy; in fact, that is exactly what we were escaping when our forefathers so bravely fought England and built this great nation.

As an elected representative, you have the responsibility to govern by the Constitution and see to it that our government maintains integrity and legality.

Mr. Obama's dictatorial rule must end. I am calling on you today to expose his unconstitutional actions - and de-fund the results of these actions, if necessary - so we can restore our democratic republic to what it was meant to be.

I will be watching how you react to Obama's Executive Branch abuses. If you are unwilling to stand up and preserve the rule of law in America, I will make sure my vote goes to someone else who will. Send Obama to GITMO for life, starting now! And same for Clinton and Holder and Pelosi DNC et al.

Sincerely,

Mr. George Peabody

## Veterans: What Priority?

Military service personnel of all branches of service, be it Army, Navy, Marine Corp, Air Force or Coast Guard. They serve with pride and honor and are sworn to protect our Country's borders, our Constitution and Bill of Rights. They serve in peace time and war time, all with one common goal, our Country's Freedom. We who served and those who now serve, ask only to be cared for by our Government if we have become sick with disease or injured in the line of duty. We are from all walks of life. We represent all religious faiths, all races, all political parties.

A bullet, a disease, does not discriminate who we are or what we are in time of war. A bullet or a disease does not care if we are of any one religious faith, black or white, yellow or red, democrat or republican or independent. We are all equals. Some of us are injured by a bullet or explosive device. Some of us get sick by the use of poisonous herbicides that causes cancer, Hodgkin's disease, and Ischemic heart disease, just to name a few. Some of us end up with Post Traumatic Stress Disorder. Yes, some of us even end up with a whole deck full of problems.

Some of our Legislators introduce Bills to the House and Senate to care for us who are in need. We submit claims to Veterans Affairs. Mountains of paperwork is required for us to prove we have disabling problems during our time in service to our Country. It can take months, more likely even years for that paperwork to get through the system. In the mean time those Legislative Bills receive little to no action in a hurry up and wait mode of operation. Some of our Legislators aren't sitting on their hands, some support us, they are of the minority. A few can not do the job needed, it takes a majority.

What are the priorities of our Legislative Body? Do they tax the very wealthy, millionaires and billionaires or give them tax breaks? To what countries do they give billions of dollars? To what banks do they give assistance? To what giant manufactures do they give assistance? What Pork Barrel projects do they support? Just to name a few top priorities. But our military personnel who are sick and injured, where are they on this priority list? At what point does the almighty dollar stop to help those who served? It seems to me, if the bureaucracy waits long enough and makes VA claims difficult enough, more of us will just die out, then there are fewer of us to be concerned about. Sounds like a rotten death sentence?

What say you, The American People, is this what it has come to? Are those who fought for Freedom to be forsaken? Ask your Congressional Representatives and your Senators, are those who served to be forgotten?

Sincerely, John J. Bury, US Navy/retired/war veteran 610-565-9473

## IMPEACH Obama and A.G. ERIC HOLDER

We, the undersigned Citizens of the United States, call for the removal of Eric Holder as Attorney General of the United States, whether through resignation, impeachment, or other legislative action. This call is based on the cumulative effect of three years of Mr. Holder's failure to uphold the Constitution, his failure to take action against the New Black Panthers voter intimidation; to "deeming" the duly enacted Defense of Marriage Act (DOMA) to be unconstitutional; to the recent "Fast and Furious" gun run to Mexico ebacle, Mr. Holder has repeatedly been derelict in his sworn duties in the office of Attorney General of the United States.

The Department of Justice website describes the job of the Attorney General as the nation's "chief law enforcement officer of the Federal Government," a truly high office and responsibility. When an Attorney General refuses to enforce the laws of the land, or does so selectively according to political bias or personal philosophies, that official must be removed from this important place of authority!

We, the American people no longer have confidence in Mr. Holder's legal and professional judgment, or his opinions and counsel, which are necessary to successfully perform the duties of Attorney General.

If Mr. Holder refuses to resign, we are calling for impeachment and/or for the House of Representatives to act on Representative Paul Gosar's resolution for a vote of "No Confidence," or such other congressional actions as are appropriate to remove Eric Holder from office.

Yes, lots of evidence points to Kenya as Obama/Soetoro's birth place, not Hawaii.

Lots of evidence shows the Obamagan is motivated by a lawless hostility toward the Constitution for the United States of America the Supreme Law of the Land; applies race biased invidious discriminatory animus toward middle class and poor

Caucasians; and, exempts his cohorts from the equal enforcement of the law to effect a power shift away from Constitutionally limited government in republican form by We The People to incrementally effect a race/sectarian biased Marxist socialist dictatorship under color of law, i.e., "fundamentally change America" as Obama promised he would do.

Obama should be immediately arrested for TREASON, War Crimes, Fraud, etc. etc. along with all his Czars and attorneys and justice obstructing federal judges and complicit members of Congress and Senate, and Bush I&II, and Clintons B&H, Pelosi, Reid, and State of Hawaii governors Linda Lingle, Neil Abercrombie, DNC,

RNC, militant Black Panthers, Zionists, and Neo-Cons. If not, USA is on the fast track to 3rd World Order.

Blogger Koos is right: White voters let their self-hatred and white coolie guilt overrule good sense and good judgement when they voted for this slimeball illegal alien fraud Obama/Soetoro, and his cabal of far-left Israel-first and Muslim Black Nationalist enemies of the Constitution and the natural born American Citizens and good legal immigrants. You deserve Obama government, unless you repent to God and take immediate action to correct this Constitutional crisis as is our DUTY as described in our 1776 Unanimous Declaration ! George Peabody, editor since 1984.
