Molokai Green Jobs? NOT

Solar and Wind projects paid for by Taxpayers look great when new, but turn ugly when the socialist grant money runs out.

Obama's Solar Scam: Solyndra

Barack Obama's Solyndra "ECO-SCAM" is GROWING -- BILLIONS in Taxpayer Money to His Rich Buddies!

Guess who's getting the latest TAXPAYER-FUNDED PAYOFF in the ever-growing ECO-SCAM of Barack Hussein Obama's Crony Capitalism?

HEADLINE: "\$737 Million Green Jobs Loan Given to Nancy Pelosi's Brother-In-Law!"

You read that right: according to a brand new report from The Weekly Standard, "Despite the growing Solyndra scandal, Obama's Department of Energy approved \$1 billion in new loans to green energy companies -- including a \$737 million loan guarantee to a company known as SolarReserve 'investment partners, including the PCG Clean Energy & Technology Fund big cheese is none other than "Ronald Pelosi, a San Francisco political insider who happens to be the brother-in-law of Nancy Pelosi, the Minority Leader of the United States House of Reps.

THIS IS OUTRAGEOUS! DOES THE OBAMA REGIME KNOW NO SHAME??? WE The People DEMAND that Congress INVESTIGATE THE OBAMA REGIME for Corruption at the HIGHEST LEVEL!

The Daily Caller has found that in addition to the failed company Solyndra, at least four other solar panel manufacturing companies receiving in excess of \$500 million in loan guarantees from the Obama administration employ executives or board members who have donated large sums of money to Democratic campaigns!

MORE !!! A NEW series of loans could be finalized amounting to more than NINE TIMES what taxpayers have already lost on the failed company Solyndra!

Companies like First Solar, SolarReserve, SunPower Corporation and Abengoa SA have already, collectively, received BILLIONS OF DOLLARS in loans through Obama administration stimulus programs to build solar power plants in the southwestern United States.

Except for the privately held SolarReserve, EVERY SINGLE ONE OF THEM has seen its stock price hammered at the same time it was lobbying the Obama administration and Congress for billions in loan guarantees!

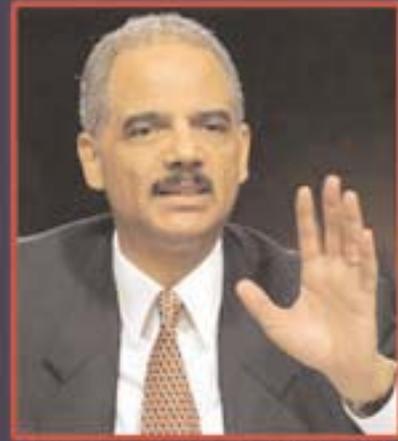

The American people just lost a half billion dollars -- don't they deserve a DEEP AND THOROUGH INVESTIGATION INTO OBAMA REGIME CORRUPTION before more money is wasted???

HELL YES ! It was just last week that we told you about the HALF A BILLION DOLLARS in taxpayer money that Barack Hussein Obama gave to his friends at the now-bankrupt "solar energy" company called Solyndra.

That's right -- HALF A BILLION DOLLARS, part of the Obama regime's "stimulus package," was wasted on his liberal friends, FLUSHED DOWN THE TOILET.

But it gets WORSE -- it's starting to become obvious that the Obama White House RUSHED the loan approval through from the Energy Department [pg 2]

Guns to Mexican Drug Lords?

Eric Holder, Attorney General

I've already told you:
I DON'T KNOW ANYTHING.
Ask my boss.

Obama's Eric Holder LIAR !

BATF Gun Running to Mexico Crimes by Obama/Holder

Congress has released five memos that were addressed to Eric Holder as far back as July 2010 describing the BATF gun running into Mexico. Holder told Congress during a May 2011 that he had just learned of the operation. The memos written by Michael Walther, director of the National Drug Intelligence Center, said the BATF sponsored gun buyers illegally purchased 1,500 firearms that were then supplied to Mexican drug trafficking cartels. BATF ordered gun stores in US to allow the known criminals to purchase the guns.

Rep. Paul Gosar declared that Obama and Holder and other officials responsible for Fast and Furious might be accessories to murder. "When you facilitate that, and a murder or a felony occurs, you're called an accessory," Gosar said.

When is the FBI going to arrest Obama and Holder and the BATF for their criminal gun running into Mexico? The blatant prima facie criminal behavior of BATF and Obama and his US Attorney General Eric Holder regarding the drugs and gun running into Mexico is impeachable high crime.

By the efforts of National Association of Gun Rights members, Eric Holder has just been subpoenaed by Rep. Darrell Issa, Chairman of the House Oversight and Government Reform Committee!

This subpoena will likely confirm proof Eric Holder and Obama knew about the smuggled weapons, drug cartels, murdered American border patrol agents, cover-ups, and perjury. And exactly when they knew about it, instigated it!

Obama said he has "complete confidence" in his attorney general, and that neither of them was aware of the "Fast and Furious" operation that allowed the flow of firearms across the border to Mexican drug cartels. **OBAMA LIES !**

Nothing in our past experience prepared Americans for the rampant corruption and compulsive secrecy and violations of the public trust that are the hallmarks of the Obama regime! What happened to Obama's repeated campaign pledges of "transparency" open government records, etc etc.? **LIES !** Why is Obama getting away with such unparalleled expansions of power and treason?

A new poll shows that more than half of Americans would like to see Congress investigate Barack Obama's eligibility for the presidency and nearly that many believe the definition of the constitutional term "natural born citizen" means both parents must be U.S. citizens, according to a new scientific poll.

"There's no marginalizing those who want these matters investigated by Congress," said Fritz Wenzel, who conducted the WND/Wenzel Poll. It has a margin of error of less than 4 points. 28% Democrats said they now want an inquiry, as do 43 percent of independents and 77 percent of Republicans.

Another aspect of the poll indicated 43.5 percent of Americans believe that if Obama can prove he was born in Hawaii, that would make no difference in Obama's eligibility, as the Constitution requires both parents of a U.S. president to have been U.S. citizens -- and Obama's father was not an American citizen.

Obama released a forged computer image of a "Certification of Live Birth" from Hawaii and insisted it was original and the only document available. Later, Obama released another forged Long Form birth certificate, complicit with Hawaii governor Neil Abercrombie who admitted he would not find the DOH records.

Obama's Solar Scams [cont'd]

Obama's Solyndra "ECO-SCAM" is GROWING -- WORSE -- it's starting to become obvious that the Obama White House RUSHED the loan approval through from the Energy Department because... wait for it... one of the largest private investors in the deal, Oklahoma billionaire George Kaiser, was also a prominent fundraiser for Obama's 2008 presidential campaign (and a frequent visitor to the White House!), and Solyndra's board and investors included some major campaign donors to Democrats and Obama!

Federal Election Commission records made available by the Center for Responsive Politics show that SolarReserve board member James McDermott has contributed \$61,500 to various Democratic campaigns since 2008, including \$30,800 to Obama's presidential election campaign.

McDermott's U.S. Renewable Energy Group has a significant financial stake in SolarReserve, and has drawn scrutiny for its ties with Senate Majority Leader Harry Reid -- and for reportedly driving green jobs to China.

And Lee Bailey, a fellow SolarReserve board member and U.S. Renewables Group investor, has donated \$21,850 since 2008 to Democratic candidates including President Obama, Senate Majority Leader Harry Reid, California Sen. Barbara Boxer and then-presidential candidate Hillary Clinton.

And that's not the only connection: the Daily Caller is reporting that there is a connection between Solyndra and Michelle Obama, too! Their review of the George Kaiser Family Foundation's income tax returns found that during the same year billionaire investor George Kaiser successfully secured \$535 million in government loan guarantees for the now-failed solar panel manufacturer Solyndra, his private philanthropy donated to a political cause close to the hearts of several high-ranking Obama administration officials:

A \$10,000 donation to the Urban Health Initiative at the University of Chicago Medical Center appears on the group's 2009 tax forms. It was also in 2009 that Kaiser successfully sought to lock down a loan guarantee for the green-energy company Solyndra through his two investment vehicles: Argonaut Ventures and the GKFF Investment Company.

While this donation seems small compared to the far larger numbers involved in the Solyndra scandal, it adds to the pattern of possible connections between the Obama administration and the growing Solyndra scandal.

Several of President Barack Obama's senior inner-circle advisers worked with or for now-first lady Michelle Obama when she held a leadership post at the University of Chicago Medical Center and helped create the Urban Health Initiative program. The Washington Post reported in 2008 that Valerie Jarrett was the medical center's chairwoman, and David Axelrod provided community support-building services.

"One of Barack's best friends, Eric Whitaker, is executive vice president at the center and is now in charge of the Urban Health Initiative," the Post added in the year Obama was elected to the presidency. Whitaker is still in that role today.

THIS IS OUTRAGEOUS... and it just KEEPS GROWING!

DEMAND that Congress INVESTIGATE THE OBAMA REGIME for Corruption at the HIGHEST LEVEL!

USA Today, "In March 2010, the accounting firm PricewaterhouseCoopers issued a stern warning about Solyndra: The company wasn't making money and never had, which raised 'substantial doubt about its ability to continue as a going concern.'" So Obama gave them a few bucks?

In fact, their business plan was so obviously bad, that less than two weeks before President George W. Bush left office, on January 9, 2009, the Energy Department's credit committee made a unanimous decision NOT to offer a loan commitment to Solyndra. So Obama gave them a few bucks?

Peter Lynch, a New York-based solar energy analyst, told ABC News that it took only "a cursory glance" through Solyndra's prospectus to see there was a problem with their numbers. "It's very difficult to perceive a company with a model that says, well, I can build something for six dollars and sell it for three dollars," Lynch said. "Those numbers don't generally work. You don't want to lose three dollars for every unit you make."

So Obama gave them a few bucks?

The so-called "War on Drugs" has been used as a cover for government crimes:

1) violating Constitution rights, 2) raising money for illegal wars and other criminal activity, 3) rewarding cooperative gangsters, 4) militarizing the police.

Now there's a new use for the "Drug War" - dissolving the US-Mexican border. see the hair-raising details here on SecondAmendmentTV.com w/Alex Jones

Bill of Rights 2nd Amendment:
“A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.”
Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."
 (Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. Obama's Anti-Gun Rights Attorney Eric Holder Called in

Obama's Attorney General Eric Holder has been subpoenaed by Rep. Darrell Issa, Chairman of the House Oversight and Government Reform Committee!

This subpoena will likely prove that Eric Holder knew about all the smuggled weapons, drug cartels, murdered American border patrol agents, cover-ups, and perjury. And exactly when he knew about it!

America needs to FIRE Attorney General Eric Holder, and Obama!

Gun Rights organizations like NAGR must mobilize to support pro-gun, anti-corruption outrage all over America.

Yes, this is about the scandal engulfing the Bureau of Alcohol, Tobacco, Firearms and Explosives (BATFE). And, last week it was revealed that Eric Holder was briefed on "Fast & Furious" as early as the Summer of 2010, even though he swore under oath before Congress that he found out about the scandal only a few weeks ago. That is proof Holder has lied to Congress. Perjury.

Fast and Furious is the very scandal that found the ATF using taxpayer funds to walk firearms across the border into the hands of Mexican narco-terrorists.

But dig even deeper, and gun activists will find out this scheme was concocted as a public relations blitz by the Obama Administration to advance their anti-gun agenda with the UN Small Arms Treaty, a renewed so-called "Clinton's Assault Weapons" ban, and a host of dangerous gun controls.

The "Fast & Furious" program itself was nothing but a manufactured crisis designed to scare Americans into banning firearms.

But now because of a sustained campaign of grassroots pressure on Congress spearheaded by NAGR, Eric Holder has been served! This is the beginning. Gun owners MUST be able to hold Eric Holder and the ATF accountable for crimes.

Gun owners and ALL Americans need to know everything about the role Eric Holder played in "Fast & Furious." Eric Holder, like Barack Obama II, has a long and storied history of supporting radical, anti-Second Amendment gun control legislation and legal positions.

He has made statements over the years indicating: That gun ownership is a "collective right" not an individual right and that the Second Amendment is no barrier to gun confiscation;

That there should be federal licensing requirements and a national gun registration database.

That rationing of handgun sales to one per month is perfectly acceptable and the federal government has the power to shut down gun shows, etc. etc.

Eric Holder and Obama are enemies to every Second Amendment advocate in this country and he is covering up a scandal that is engulfing the BATF and DEA -- the most anti-gun federal agencies.

How deep does this scandal go? Obama and Holder isn't enough -- the corruption is institutional at the ATF, preceeding these Chicago criminals.

It has become apparent that it's time for a full-fledged investigation into the corrupt and anti-constitution bureaucracy of the ATF.

Do you believe that Obama and his Attorney General Eric Holder should be held accountable for lying under oath to cover up the "Fast & Furious" scandal?

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights! Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

Agenda 21 Treason

By Kathleen Marquardt

Agenda21/ Sustainable Development is a plan designed to rend the fabric of America by abolishing property rights,[1] redistributing America's wealth -- especially that of the middle class, and reducing human population 85%.

This plan is real, spelled out in the book Agenda 21 Sustainable Development, written and published by the United Nations.

Its local plan of action is ICLEI (International Council for Local Environmental Initiatives), which brings the same aims down to the city, county, regional and state levels. This is where the dirty work of Sustainable Development is carried out.

Here is how the UN described Agenda 21 in one of its own publications in 1993 in an article entitled "Agenda 21: The Earth Summit Strategy to Save our Planet:" "Agenda 21 proposes an array of actions which are intended to be implemented by EVERY person on Earth...it calls for specific changes in the activities of ALL people... Effective execution of Agenda 21 will REQUIRE a profound reorientation of ALL humans, unlike anything the world has ever experienced."

This is in our schools, from kindergarden to college. You can even earn a degree in Sustainable Development from many universities and colleges, in spite of the fact that "sustainable development" is neither sustainable nor about development. Its about taking away freedom and liberty; taking life, and property.

At a freedom promoting meeting the other day, one of the speakers made the statement, "If you talk about Agenda 21/Sustainable Development to most people they look to see if you are wearing a tin foil hat." How can it be? You hear the terms sustainable development, sustainability, sustainable agriculture, sustainable ad infinitum. Wake UP, People! Its a Social Dictator SCAM!

Ah, but there is a catch. You must be speaking positively about sustainable anything in order not to be ridiculed, marginalized or ignored. If you wish to disagree with the concept of Sustainable Development, you are expected to keep it to yourself. Stand in the corner and talk about it to your heart's content, but don't utter a negative feeling in public. For that matter, you can only go so public with anti-Sustainable Development sentiments because mainstream media certainly isn't going to air a disapproving comment about it. That is unless you get so mad you rant and spew out a bunch of invectives -- then mainstream media will be right there getting it all down for posterity. And every time they need to show what those people are like who would disparage Sustainable, your video will be dragged out even after the clothes you are wearing are ten years out of date.

Wars for What?

By Frosty Wooldridge

Our young kids have fought two wars for ten years in Iraq and Afghanistan. Total cost exceeds \$1 trillion. Result: horrific deaths on both sides, destruction and no resolution. Does anyone know or understand why we sent 6,200 kids to their deaths and another 40,000 brought back home without legs and arms or their minds? We can expect a minimum of 100,000 post-war suicides from combat troops with scrambled brains. That doesn't count the ones that stumble forward with alcohol, drugs and poverty.

Did we stop terror?

Suicide bombers and killers blow up churches, government buildings and outposts as regularly in Iraq and Afghanistan in 2011 as they did in 2001. No leader in the United States understands that Muslims will defend their lands against Americans until the last one dies. We would have to kill every single last one of them to win.

Did we bring democracy to Iraq and Afghanistan?

Iraq and Afghanistan cannot agree on a constitution or path toward peaceful co-existence any more than a bunch of 5th graders arguing over a jar of cookies. Karzi is a puppet of the United States. We send endless billions of dollars to prop up him and Malaki. Just flush that money down a New York City sewer.

Did we find weapons of mass destruction in Iraq?

We found not one single weapon worthy of such fear to go in and blow up an entire country on G.W. Bush's whim. He caused hundreds of thousands of deaths and 2.5 million refugees. What he did to Iraq and its citizens defies human understanding. Lyndon Baines Johnson did the same thing to Vietnam. He killed 58,267 kids while he blew up another 2.1 million Vietnamese. In his book *Fog of War* 35 years later, the architect of Vietnam Robert McNamara said, "I made a mistake."

G.W. Bush is too stupid or inept to write a book on how brainless his decision to destroy Iraq and Afghanistan turned out to be. Overwhelming evidence shows that 9/11 was an inside job. If it was, George Bush should be brought to trial for crimes against humanity and America. Obama continues the coverup, and Wars.

Iraq provides yet another example of stupid men in power doing stupid things for stupid reasons with incredibly painful outcomes for millions of innocent people, children and countries.

Are we any safer from terror in the United States after 10 years of war?

More terrorists reside in the United States from our irrational immigration policies than ever before. We've got 40,000 MS-13 gang members in 35 states selling drugs to millions of our kids. (Source: Newsweek) We have 10 million illegal alien Mexicans stealing jobs from Americans and breaking our laws while we pay for their medical, educational, babies, prison and food needs. We import 2,000 Muslims per month from places like Palestine, Iraq and Somalia—as refugees—any of them potential terrorists.

Note that Iranian-American immigrant Manssor Arbabsiar attempted to kill a Saudi ambassador this week. Notice American born Muslim Anwar al-Awlaqi inspired the shoe bomber, underwear bomber, New York Times Square bomber and Major Hasan to kill Americans. And the radical Jews of Zionist Israel military attacked and murdered Americans on the USS Liberty! With friends like that....

Does anyone think that victory can be won against a religionists?

The Jewish Talmud teachings say Jews are superior beings, non Jews are like cattle to be used and discarded. The Muslim Koran dictates that all good Muslims "convert or kill non-believers and Jews." We can pretend these are peaceful religion, but every terror event in the world since 1972 has been planned and carried out by Jews and Muslims and complicit criminal US government officials.

If we fight for another 10 years, what will we accomplish?

If the American people sit back and do nothing, the military industrial complex will continue those two wars for another 10 years. The military won't win, but it won't lose, but it will continue fighting and dying as it sacrifices our kids, like cattle to be used and discarded. We'll hear weekly news reports that we're close to victory, but we need another 40,000 troops. We're seeing the light at the end of the tunnel and we don't want those who have died to have died in vain. General so and so is making a "new" plan to win the war...ad nausea.

The military industrial complex possesses no heart and no conscience. Young men and women's deaths mean nothing.

How do we stop those wars, the deaths and the senselessness?

1. We withdraw all our troops from Iraq and Afghanistan immediately.
2. Cut all foreign military aid to Israel.
3. Leaving Muslim lands deletes their reasons for jihad.
4. Enforce our borders with our troops to secure our country.
5. Engage a moratorium on all immigration for 10 years.
6. Use the \$12 billion monthly war cost to improve our country.
7. Open all 9/11 records and prosecute US officials complicit in murder

It's absolutely crazy to carry on two wars for ten years without any positive result. It's even crazier to continue fighting them for another 10 years. It's even worse that the majority of American citizens lack enough gumption to stand up and speak out against the endless insanity of war perpetrated by our Congress, Bush and now Obama. In the end, it's just plain sickening on a mental, physical and spiritual level.

Demand that Obama's records be released. Obama is using tax dollars to keep his I.D. concealed. Over 40 lawsuits fought to keep all his records sealed.

It really leaves me wondering when people are going to put a stop to the tyranny and corruption coming at us at accelerating pace from Obama-government agents against our Liberty?

Wake up America! Restore USA, the Republic, that is !

God Bless America !

Apple Computer #1 Steve Jobs

The #1 Apple computer photo above was the creation by Steve Jobs and Steve Wosniak in their home garage before 1985 when the Mac got a sales boost with the introduction of the laser writer printer and page layout software that gave publishing ability to everyone who could obtain the Mac512 computer.

As the photo at right shows, Apple Macintosh has come a long way since Jobs lost his company in 1985 to a Board of Directors who appointed John Sculley as CEO. Jobs quit rather than be fired. He later 1996 rejoined Apple, and eventually became what he was until last weeks finally product, and cancer ended it.

Inherent in the American success story of the iMac/iPhone/iPad by Apple.

Americans use the technology for business, pleasure, social networking, raising awareness of the missing, finding recipes and even tuning a ukulele, because Steve Jobs' participation in American ordered capitalism and freedom. And he became America's wealthiest creator of products and jobs for Americans.

None of the countless people involved in conceiving these products and bringing them to market "care" about me. They pursued their own self-interests. Through the spontaneous order of capitalism, they enriched themselves -- and the world. FREEDOM is the basis of wealth creation.

Check out Leonard Read's essay "I, Pencil." He turned a mundane writing instrument into an elementary study of free-market capitalism. What goes for the pencil goes for any of the products Jobs introduced.

"I have a profound lesson to teach," Read wrote in the voice of a metaphorical lead pencil. "I can teach this lesson better than can an automobile or an airplane or a mechanical dishwasher because -- well, because I am seemingly so simple. Simple? Yet, not a single person on the face of this earth knows how to make me."

Read traces the family tree of the pencil from the Oregon loggers who harvest its cedar wood, to the California millworkers who cut the wood into thin slats, to Mississippi refinery workers, to the Dutch East Indies farmers who produce an oil used to make erasers. All of these people, and many more at the periphery of the process, have special knowledge about their life's work in their separate corners of the earth. But none by himself has the singular knowledge or ability to give birth to a pencil. Few will ever come in contact with the others who make the production of that pencil possible.

It's not because they "care about each other" that they cooperate to deliver any one product. It's the result of freedom and self-interest, multiplied by millions.

The absence of a master mind, of anyone dictating or forcibly directing these countless actions which create products. No trace of such a person can be found. Instead, we find the Invisible Hand at work. This spontaneous "configuration of human energies" is repeated endlessly in our daily lives. Think of the countless and diverse people involved in producing a Slinky, jump rope or baseball, a diaper, refrigerator or Boeing 747. And, of course, an iMac, iPhone or iPad.

An absolutely essential ingredient for freedom is a faith in free people. Freedom is impossible without this faith." Without it, we are susceptible to the force of class-warfare mobs and the arrogance of command-and-control bureaucrats in Washington who believe the role of private American entrepreneurs, producers and wealth generators is to "grow the economy" and who "think at some point you have made enough money."

Steve Jobs was committed to freedom, excellence, beauty and innovation. And yes, he made gobs of money pursuing it all while benefiting hundreds of millions of people around the world whom he never met, but who shed a deep river of tears upon learning of his death last week.

Steve Jobs personified the triumph of individualism over collectivism, freedom over force and master planning. The Apple slogan: It just works.

After battling with cancer for seven years, Apple founder Steve Jobs left this earth on Wednesday at the youthful age of 56.

You cannot legislate the poor into prosperity by legislating the wealthy out of prosperity. What one person receives without working for, another person must work for without receiving. The Obama regime cannot give to anybody anything that the Obama regime does not first take from somebody else.

When half of the people get the idea that they do not have to work because the other half is going to take care of them, and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, that my dear friend, is the beginning of the end of any nation. You cannot multiply wealth by dividing it. STOP the Socialism, Obama !

Obama's SSN Fails E-Verify System! Obama is Using Someone Else's Connecticut SSN! Draft Registration Forged & Back Dated to 1980! Why Isn't House Speaker John Boehner Calling for an Investigation?

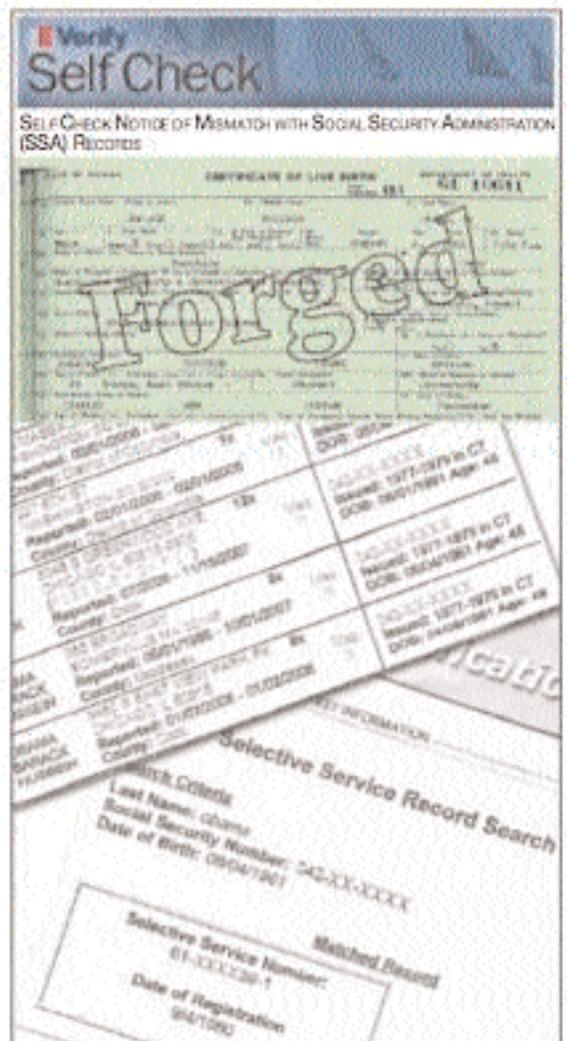

Putative President Obama is Fraudulently Using a Social Security Number which is Legally Not His and which was Issued only to Residents of the State of Connecticut, a State where Obama Never Legally Resided and Certainly Not During the Time Frame that SSN was Issued in March 1977. Obama used this SSN to file his 2009 federal income tax return.

042-68-XXXX*

This 042 prefix Social Security number is reserved for the people of Connecticut NOT Hawaii. Obama never lived in Connecticut, and he certainly wasn't living there when this number was issued in March 1977, rather he was a 15 year old attending High School in Hawaii.

Obama's long form birth certificate posted on the White House servers on 27 April 2011 is a forgery per numerous digital image and typography experts.

President Obama has used 042-68-XXXX* since the 1980s when he "supposedly" registered for Selective Service, but Social Security Administration now says the number was never issued to Obama! Investigations reveal Obama's Draft Registration was forged in 2008 and back dated to 1980.

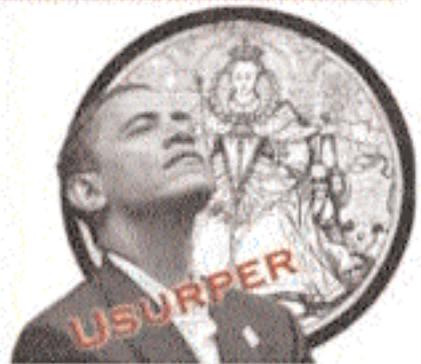

**Use by Obama of a CT issued SSN confirmed by multiple investigators including two state licensed investigators Susan Daniels and Neil Sankey. The President & Commander in Chief of the Military Must Be A "natural born Citizen" — U.S. Constitution, Article II, Section 1, Clause 5

No Person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President

The Law of Nations, Vattel, 1758.
Used by Ben Franklin, John Jay, George Washington, Thomas Jefferson, and other founders.
Vol.1, Ch.19, Section 212:
"natural-born citizens, are those born in the country, of parents who are citizens"

Per the British Nationality Act of 1948, Obama when born in 1961 was a British Subject at birth.
Obama's Father was NOT a U.S. Citizen, nor was he an Immigrant to the USA, nor was he even a Permanent Resident of the USA.

Obama, the Putative U.S. President, was Born a British Subject Governed by the British Nationality Act of 1948, and is Currently also a British Protected Person and/or a British Citizen to this Day.

How can a person who is born a British Subject be considered a Natural Born Citizen of the USA? Obama is NOT a "natural born Citizen" to constitutional standards!

Yes, lots of evidence points to Kenya as Obama/Soetoro's birth place, not Hawaii.

Lots of evidence shows the Obamagan is motivated by a lawless hostility toward the Constitution for the United States of America the Supreme Law of the Land; applies race biased invidious discriminatory animus toward middle class and poor

Caucasians; and, exempts his cohorts from the equal enforcement of the law to effect a power shift away from Constitutionally limited government in republican form by We The People to incrementally effect a race/sectarian biased Marxist socialist dictatorship under color of law, i.e., "fundamentally change America" as Obama promised he would do.

Obama should be immediately arrested for TREASON, War Crimes, Fraud, etc. etc. along with all his Czars and attorneys and justice obstructing federal judges and complicit members of Congress and Senate, and Bush I&II, and Clintons B&H, Pelosi, Reid, and State of Hawaii governors Linda Lingle, Neil Abercrombie, DNC,

RNC, militant Black Panthers, Zionists, and Neo-Cons. If not, USA is on the fast track to 3rd World Order.

Blogger Koos is right: White voters let their self-hatred and white coolie guilt overrule good sense and good judgement when they voted for this slimeball illegal alien fraud Obama/Soetoro, and his cabal of far-left Israel-first and Muslim Black Nationalist enemies of the Constitution and the natural born American Citizens and good legal immigrants. You deserve Obama government, unless you repent to God and take immediate action to correct this Constitutional crisis as is our DUTY as described in our 1776 Unanimous Declaration !
