Obama Not U.S. Citizen; and NOT Eligible for POTUS; Obama Barricades WWII Vets from Outdoor Memorials; ARREST Criminal Obama For TREASON before he goes on vacation to Hawaii !

Barry Soetoro is an illegal alien criminal usurping by fraud and treason the Office of President of USA using the name Barack H. Obama II on his forged birth certificate, forged Social Security records and elsewhere. Barry Soetoro is a citizen of Indonesia and British laws as he was born in Kenya, and therefore he is not qualified to hold office of President. Obama is a criminal who must be arrested immediately and charged with numerous felonies of fraud, sedition, and treason.

Why has no one in any official legal capacity vetted the eligibility and Constitutional qualifications of Barack Obama aka Barry Soetoro to serve as President and Commander-in-Chief of military? And, Citizens' efforts blocked !

Congressional Records and the Constitution for the USA clearly indicate that a person must have two U.S. citizens as parents to qualify as a "natural born citizens" of the U.S. Obama does not meet that qualification. He never went to Congress to clarify the flaws in his citizenship status to serve as POTUS. Senate Resolution 511 which Soetoro aka Obama co-signed in 2008 is an admission that he knows and agrees that he is NOT ELIGIBLE to be in the Office of President.

Now the illegal alien criminal usurping the Office of POTUS is pushing his socialist policies Obamacare and Amnesty for Illegal Aliens like himself as a dictator, and his co-conspirators have introduced legislation in Congress to repeal the 22nd Amendment to allow him more than two terms.

The "Trojan Horse" has been allowed to enter the gates, and the enemies of the Constitution for the united States of America are attacking USA from within. Obama has committed serious offenses against the American people. A loyal friend of terrorists, Obama/Soetoro's long list of atrocities include treason and murder, perpetrating lies and cover ups, and utter contempt for the Constitution and Americans while he supports Muslim Brotherhood and Sharia religious laws. He even is on record stating that when things go bad, he will stand with Muslims.

Former Navy SEAL Ben Smith warned Americans during an interview this month that the Obama administration is asking top brass in the military if they would be comfortable with disarming U.S. citizens, a litmus test that includes gauging whether they would be prepared to order troops to fire on Americans. Smith said Obama's litmus test was related to the recent firing of top military commanders Navy Vice Adm. Tim Giardina and Maj. Gen. Michael Carey.

The idea of U.S. soldiers being asked if they will fire on American citizens during a crisis or mass disarmament program was news in January, 2009 when Nobel Peace Prize nominee Jim Garrow claimed he was told by a top military veteran that the new Obama administration's "litmus test" for new military leaders is whether or not they will obey an order to fire on U.S. citizens.

Concerns over U.S. troops being given orders to fire on American citizens in the event of mass gun confiscation first became known when hundreds of Marines at 29 Palms, California were given a survey by Navy Lieutenant Commander Ernest Guy Cunningham which asked the Marines if they would, "Fire upon U.S. citizens who refuse or resist confiscation of firearms. Approximately 30% of the marines said they would comply with such an order.

Julie Fichtner: Our Military are all required to take an oath to protect and defend the U.S. Constitution and obey all LAWFUL orders. Such an order is UNLAWFUL and must not be obeyed.

John Hammond: I worked with the Marines at 29 Palms, it's a different world, they are part of the government, they will kill on demand, no matter who it is..It is the government's military, not the American citizens'; they will protect their own, and we the people will give up our arms or die. Obama needs to go before he can issue such orders.

Edward Gamils: Obama needs to be removed from the White House NOW, and face charges of treason against the People of the USA and our Constitution for the united States of America. Wake up!

Judicial Watch protested Obama's orders to National Park Service to block access to the national memorials and attempted to arrest WWII veterans on October 2, 2013 while they were attempting to visit their memorials with a volunteer program called Honor Flight.

Park Service officers say Obama ordered the barricades, citing the government shutdown, despite there being no legal justification for closing the WWII Memorials that were paid for with private funds and open to the public 24/7. Apparently Obama has added WWII Veterans to his list of Enemies? And Obama even wanted WWII Vets ARRESTED !! That is TREASON, i.e., acts of War against American Citizens! Arrest Obama aka Barry Soetoro BEFORE he goes on vacation again to Hawaii where he was NOT born!

To their credit, the elderly Vets some in wheel chairs, forced their way in past guards and barriers, as many of the guards looked the other way.

Later protests with younger vets and patriots resulted in some violence with police, and knocking down barriers they piled up on the front lawn of the White House in protest against Obama, the Dictator illegal immigrant Usurper.
