## Obama Ordered by Supreme Court to Show Citizenship Documents By Dec. 1

DaJudge says that Ordinary citizens can't sue the Obama for birth certificate and citizenship records to ensure that he complies with constitutional requirements for the Office of President of U.S.A?

Gun Rights? Haaahaa!  
Citizenship? Hahahaa!  
Change? Believe it!

BARACK HUSSEIN OBAMA is not yet the President of the United States, and he may never hold that office if he cannot prove he is a "natural born" American Citizen. A lawsuit says that Obama is not a "natural born" American citizen and, pursuant to Article II, Section 1 of the Constitution is ineligible to hold the Office of President of the U.S.A.

The U.S. Supreme Court has ruled that Obama must produce his citizenship records by December 1, two weeks before the official election of President by the Electoral College, according to Philip J. Berg, the former attorney general who filed the lawsuit [Berg v. Obama, No. 08-cv-04083]. Berg's lawsuit accuses Obama of lying about his U.S. citizenship, which would make him ineligible to be president. Berg added that last week the Supreme Court "set dates" by which Obama and the DNC must respond to the Writ of Certiorari — on or before December 1, 2008.

"I look forward to receiving Defendant Obama's response to the Writ and am hopeful the U. S. Supreme Court will review Berg v. Obama. I believe Mr. Obama is not a constitutionally-qualified natural-born citizen and is ineligible to assume the office of President of the United States."

Berg's original lawsuit was dismissed by Federal magistrate Barclay Surrick who said that ordinary citizens can't sue to ensure that a presidential candidate actually meets the constitutional requirements of the office, regardless of Berg's point that uncertainty about whether the Constitutional requirements of presidency are enforced may result in a constitutional crisis should an ineligible candidate be elected. [Stop! Obviously Surrick does not understand that We The People are Sovereign with original enforcement powers in all matters of law. Furthermore, if we Sovereigns do not have standing to demand proof and to judge whether the next president of the United States — the most powerful man in the entire world — is eligible to be in that office, then who does? ]

Supreme Court review: Rule 10 of the Supreme Court makes clear that Justice Souter's granting of a review on the Writ of Certiorari is a matter of judicial discretion based upon a compelling reason. Here, the compelling reason is the Constitutional requirement that "No person except a natural born citizen ... shall be eligible to the office of President..."

Berg v. Obama requests Mr. Obama to provide the following documents to prove eligibility:

A Genuine certified copy of his original long version "vault" birth certificate; A Certificate of Citizenship; A Certified copy of his Oath of Allegiance. These three documents will end this case and once and for all put to rest claims of citizenship against Mr. Obama.

After that, Obama can only become the President after the Electoral College members convene on 15 DECEMBER 2008 in their respective state capitals and cast their votes to elect the President.

Documentation to prove eligibility is important, sometimes conflicting: records from Obama's Indonesian first grade school cited by Berg in his complaint show Obama born in Honolulu, Hawaii, but is named Barry Soetoro and is officially an Indonesian citizen. Foreigners are not allowed in the public schools of Indonesia.

If the school record is proven authentic, it does in fact show Obama's birthplace as Honolulu and not Mombasa, Kenya, but it also shows that Obama adopted his step-father's [Lolo Soetoro] last name and was registered as an Indonesian citizen in 1968.

Instead simply providing the proof of U.S. citizenship as most people do to obtain a job or security clearance, Mr. Obama and the Democratic National Committee (DNC) have tried to squash the case, requested dismissal, and not addressed the claims. In addition, his sister gave two different hospitals in Hawaii [Queens Hospital, and Kapiolani] where he was born, but neither show records of it. Three immediate paternal family members in Mombasa, Kenya have testified publicly Obama was born there.

While the mainstream media has chattered on endlessly about what kind of dog Obama's daughters will be getting, there's been reporting about Obama's questionable campaign donations, potential voter fraud in key states like Ohio and Florida, very little about Obama's tight relationship with Tony Rezko — and, of course, nothing about the lingering issue of his proof of citizenship to be eligible for office.

In Feb 2008, Obama claimed that he had traveled outside the U.S. to Pakistan in 1981 when he was 19 years old, and at the time it was prohibited for U.S. citizens. Did he have an Indonesian passport? Did he have a U.S. passport? If not, how did he get into and out of this country? Where are his records?

Berg's original lawsuit leveled several charges at both Obama and the DNC — accusing the former of lying about his place of birth, faking his birth certificate and fraudulently running for office; and accusing the latter of not properly vetting its candidate.

Rule 36 of the Federal Rules of Civil Procedure states that unless the accused party provides written answer or objection to charges within 30 days, the accused legally admits guilt.

By not filing the answers or objections by Oct. 15, 2008, Obama and DNC has admitted Obama was born in Mombasa, Kenya, and his father Barack Hussein Obama, Sr. admitted paternity, and his mother's maiden name is Ann Dunham. He admits he was adopted in Indonesia by his stepfather Lolo Soetoro. He admits that the COLB he posted online is a phony. And he admits that he is constitutionally ineligible to serve as president of the United States.

Investigator Ron McRae spoke to Obama's grandmother Sarah Obama in Kenya, asking her if she was present when Barack was born? Through a translator, Sarah Obama testified that she was present when Obama was born.

The suit says Mr. Obama's mother went to Kenya late in her pregnancy and ended up giving birth there. It also claims that later in life, Mr. Obama declared himself a citizen of Indonesia.

Obama's visit to Pakistan in '81 a pivotal issue: If he did travel there on an Indonesian passport which was issued to him as an Indonesian citizen, it implies he held dual citizenship at best and perhaps only Indonesian citizenship, in which case he will never be eligible to be President of USA.

A COLB certification can be obtained after birth, so it is not proof of citizenship. Alvin Onaka, a research and statistics officer at the Hawaii DOH said this type of birth certificate is given when the child is born at home, ie. issued after the birth, usually requested by parent.

So why does Obama refuse to produce this document? Such an action is quite simple in scope and requires little effort. And why has Linda Lingle, the convicted felon who is usurping office of governor of Hawaii, issued SEALED orders on Obama's records? Furthermore, Barack Hussein Obama is an attorney, an officer of the Judicial Branch, and in precluded from Executive Office by Separation of Powers law.

Why hasn't this been seen on the news? Major media are Obama supporters! We have ABC - American's for Barack Campaign; CBS - Campaigning for Barack Station; NBC - National Barack Campaign? All refusing to say to question their candidate of choice, and even refuse to mention 3rd Party candidates like Bob Bar, Chuck Baldwin, Ralph Nader who are fully qualified natural born American Citizens committed to protecting and supporting the Constitutional limits on government powers in order to preserve the Sovereignty of We The People.

[Editor's rant: Why is there always a coverup when there is questions about Obama? We should all be asking ourselves why an injunction in Federal Court has been largely ignored by the AP and other reputable news services. We should be even more concerned that more than a question regarding a candidates citizenship is being ignored, and a jackass federal judge declares We The People lack standing to demand proof of candidate eligibility, because it is the CONSTITUTION that is being ignored; it is the first and foremost Rule of Law for the United States of America AND FOR WHICH WE STAND that is being ignored--or worse, manipulated and controlled and CHANGED by the Obama cultists who celebrate Obama's apparent election to the White House as the arrival of a messiah. It is happening because history shows that so called messiahs don't need no stinking qualification documents, and anybody who questions such idolatry is certainly going to be on a no fly list somewhere in the land of Obamism. When you voted for Obama, you were sure to get Clinton!]

It is time for a revolution for freedom and Constitutional government, the kind of change that an Obama dictator would not expect. [Obama's record of supporting anti-gun rights laws and the Clinton gun prohibitions may finally push Americans into action to end the destruction of our Republic, and restore the Sovereignty of We The People. Lets pray!](#)

## Stop War on Drugs

Every day that goes by, 4,000 people are arrested for drug offenses, the vast majority of them minor, and half a million nonviolent drug offenders languish in the staggering number of prisons and jails the fascist Police State American government has very unwisely built.

It's time to stop this senseless tragedy and shocking injustice.

Stop the drug war -- visit <http://stopthedrugwar.org/donate> to donate to StoptheDrugWar.org today. Thank you!

## What will Barack Hussein Obama do about What Happened on 9-11-01?

On September 11, 2001, we Americans were the victims of TREASON. By September 12, we Americans all became the suspects watched by FBI. Not one single U.S. citizen hijacked a plane, yet President Bush and DOJ, through powers seized and codified in the fascist USA PATRIOT Act, labeled 270 million of us for surveillance, for searches, for tracking, for prison without charges. Welcome to the New World Order! Police State USA!

So, what will Obama do to restor freedom if he is elected President?

## Superferry: Fishing Out Maui

edited from Brad's LTE:

Although Superferry supporters say that hundreds of pounds of fish have not been removed from Maui, the record shows that to be a lie.

Fish and limu are allowed to be transported from Maui on the Superferry. It is the opihi, crustaceans, and rocks that are not allowed on the Superferry. However, there is no penalty for being caught attempting to smuggle them aboard the Superferry, unless they are undersized.

When ridership on the Superferry to Maui was high last May through August the amount of fish and limu that was transported via Superferry was significant. From the Oversight Taskforce Committee/DLNR reports for fish: 370lbs., 316lbs., 488lbs., and 190lbs in successive months. For limu it was: 477lbs. and 475lbs. in successive months.

And, there were significant weights of opihi that were confiscated by DLNR after having been harvested and killed by smugglers. [So, who ate them?]

Let us be clear, with an inadequate Linda Lingle's Environmental Order and Act 2, neighbor island resource depletion has been a real issue when the Superferry was running at high ridership. Thankfully it has been running at low ridership since late August, and not to Kauai or Molokai at all.

Dear President Bush: TRASH the BATF !

I hope that as one of your last acts as President, you will fire Michael Sullivan, the Acting Director of the BATF who has demonstrated a total lack of respect for the 2nd Amendment rights of law abiding American Citizens who own firearms. In addition to harassing honest gun owners, the BATF has stolen the intellectual property of Coloseum Software Corp created to assist FFL's and gun stores from BATF harassment.

So please fire Sullivan and command the Bureau to destroy all copies of their stolen software, and stop their treason. Let me know the good news, asap.

Sincerely, George Peabody, Waialua, Molokai, Hawaii. 96748

**Bill of Rights 2nd Amendment:**  
**“A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.”**

**Wake up militia! Use it , or lose it ! Got your gun, yet?**

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

## Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

## If Obama Elected....Got guns?

A lot of people are deeply excited about the candidacy of Barack Obama, whose campaign theme, as everyone by now has noticed, is "change." World leaders have hailed Obama as the arrival of a "messiah." But the structure of his message is not new or unique: "What we have now is rotten, but if you put me into power, it will change dramatically." Such a simple, persuasive message is what put Adolf Hitler into power. And Mao Tse Tung. And all the communist tyrants in the former Soviet Union. And Castro in Cuba. And Pol Pot in Cambodia. The list goes on forever: the vast majority of names that we now associate with suffering and death acquired the means to do what they did by promising to change the way things are.

Fortunately for us, Obama is not officially elected President until the Electoral College decides whether to vote for him on December 15. We still have time to expose the election fraud. But what if Obama is elected President?

I think it will speed up the demise of the United States empire. In reality no longer an egalitarian Republic, it is an empire now, a tyrant's playground. It has nothing to do with individual liberty, and everything to do with domination and control. Will Obama turn things around, and start the country on a steady swing back in the direction of a limited, constitutional republic? No way!

A desire for real, significant change is certainly understandable, given the cesspool of political corruption and deception into which our federal government has devolved. Americans want something different, with question, the assumption is that it can't be any worse. Well, it can be worse. A lot worse if Americans lose their individual sovereignty, their right to govern and defend themselves.

I too am ready for corruption and tyranny to end, and freedom to reign with peace and prosperity and limited government in republican form. But how?

I hope Obama passes every socialistic program and wealth redistribution plan he can think of. And then I hope the American people refuse to comply. I hope he outlaws private gun ownership completely, and I hope the American people refuse to give up their guns. I hope he nationalizes all health care, and I hope a black market in health care springs up. I hope he outlaws private possession of jewelry, and no one hands theirs over. I hope he keeps the war-mongering going, and Americans refuse to sign up, and people already in the military resign in droves. I hope he continues the tradition of the government doing the bidding of the bankers and the Federal Reserve, keeping everyone in debt, and constantly defrauded through the paper currency scam.

I hope the dollar collapses, and people start an economy based on Constitutionally mandated money coined from gold and silver. I hope he raises taxes through the roof, and I hope people refuse to pay them. I hope he pushes his nationalist/socialist agenda just as fast as he possibly can, and I hope Congress helps him to do so.

And then I hope that the spirit of resistance comes back to life in this country. The only way to end tyranny is by disobedience. Whether by revolution or by passive resistance, the only thing that has ever reduced oppression is people refusing to do what "authority" told them to do, and stop all this pathetic groveling to crooked politicians and every so called "messiah." RESIST Tyrants!

**"Rebellion against tyrants is obedience to God." T.J.**

**Guns Preserve YOUR Sovereignty !**

## Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

## Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

**Wake up ! Enforce the Bill of Rights !**

## Obama's Anti-Gun Rights Record Exposed, Citizenship Challenged

<http://www.goapvf.org>

The popular election sham is over and Barack Hussein Obama got the most votes, so now the Electoral College will decide if he will become President of USA. Members have a duty to determine if a candidate is qualified. Several legal challenges to Obama's citizenship status, but rejected because there are procedures available under the 12th and 20th Amendments to the Constitution to challenge a candidate's qualifications when electoral votes are counted, not before. "Judicial review — if any — should occur only after the electoral and congressional processes have run their course.

Limiting self-defense, Obama voted to allow the prosecution of people who used a firearm for self-defense in their homes. (Illinois Senate, S.B. 2165, 3/25/04)

The Brady Campaign Hoping For Expanded "Assault Weapons" Ban Under An Obama Administration: With the prospect of Sen. Barack Obama being elected President, the Brady Campaign is trying to rejuvenate a ban on all detachable-magazine semi-automatic firearms, a vast expansion of the federal "assault weapon" law of 1994--2004. As Brady notes in a new propaganda paper, "Senator Barack Obama supports banning assault weapons."
