AUWE! Killing Waialua reef with a shovel and mud.....?

photos by TheMAN
Waialua Beach reef is being killed much faster than normal when Laumanas dig out the natural sand-bar water filter that normally keeps the outflow clean. Aunty Loke said she thought about the damage to the reef, but decided she must let the water out this way regardless because her mauka wetland is eroding by her house, and leaves lots of rubbish on her groomed grass. [see photos below] Unfortunately, this approach accelerates the flow of water causing faster erosion of her land and more reef killing mud, especially since Chuckie Miguel bulldozed trees from the river side in his plan to straighten the river.

Obama's DREAM Act Defeated

Defendant Obama is named as "de facto president of the United States."

We did it! On Saturday, we defeated Obama's DREAM Amnesty in the Senate. With that defeat, the last hope of the Open Borders coalition to snag an amnesty for illegal aliens has disappeared. For the past 10 years, the other side has introduced amnesty after amnesty in Congress. And each time, you and your fellow NumbersUSA members deluged Congress with millions of faxes, and untold phone calls and personal visits.

In the end, all the power and money marshaled by the Chamber of Commerce, the ethnic lobbies, the unions, big religion, the mainstream media, and even the White House--all

that wasn't enough. It couldn't overcome public opinion and the law.

"I think WE want to thank ALL OF YOU at NumbersUSA for encouraging the rest of us and for LEADING 'The Fight of Our Country's Lifetime.' Yes, I spent more time and money than I ever have on a 'cause' or political effort but that is because YOU gave me reason to believe that SUCCESS WAS POSSIBLE. Thank you from my generation and those generations who don't yet realize how critical this result is to their future and that of their children.

As this Congress ends, let's remember where it all began. In January 2008, we faced a president and Congress determined to force through a mass amnesty--much, much bigger than the DREAM amnesty. They had everything on their side: Huge majorities in Congress, millions of dollars in funding, and practically every elite organization in America backing them.

In the end, a "comprehensive" amnesty never passed. Members of Congress were too frightened of the voters to even bring it to a vote.

Their last hope for ANY kind of amnesty this decade was this DREAM Act for illegal aliens under the age of 30. You know what happened last Saturday.

We've won it all. But we MUST be ready to go on the offense in the new, much more friendly, Congress which convenes January. Can we push mandatory E-Verify though? Can we boost border security? Can we get immigration levels down to sensible levels? Repeal ObamaCARE freemedical for illegals?

AND, the BIG QUESTION: is Obama Constitutionally eligible to hold the Office of President, i.e., is he Natural Born American Citizen?

The 112th Congress is about to be sworn in. A conservative majority is once again taking the reins of leadership in the House of Representatives. It is now time that the Members of the U.S. Congress finally conduct Congressional hearings to answer the "Is he, or is he not..." question, regarding the eligibility of Barack Hussein Obama to serve as the President of the United States of America.

We've fought this fight for two years. We have phrased the question every way that it can be asked! NOW, it's time for the answer. NOW, we must DEMAND that Congressional hearings be held on the INELIGIBILITY of Barack Obama to serve as President, and have him sent to prison for crimes against the Constitution and We The People.

In a matter of days, the 112th Congressional session will convene. We must make sure that they hold to their political word---and that they make the Barack Obama Eligibility issue their TOP PRIORITY.

Over the past two years, because Congress failed to "vet" Barack Hussein Obama's eligibility before the Electoral College voted, several American citizens have filed lawsuits, believing that the federal judiciary would protect the Constitution of the United States, which they swore to uphold. Instead, these federal judges told the plaintiffs that this was not a "judicial matter" but, rather, a "Congressional matter."

The 1st Amendment to the U. S. Constitution guarantees its citizens the right to petition its government for a redress of grievances. To date, the voice of the People has been ignored. It is now time that the People are heard in the matter of the eligibility of Barack Hussein Obama to hold the position of Chief Executive of the United States of America, or go to prison for TREASON !

More Bad Cops Leave MPD Molokai

Good RIDDANCE !

Captain Dean M. Richard's term as Police Tyrant on Molokai ended last week, but not until George Peabody unwittingly gave him the opportunity to bully and harass someone by asking for assistance to enforce boombox laws.

Dear Capt. Dean M. Rickard: You showed your true bad colors when you growled at me in the Molokai Police Station "Look, take your shit and get out of my station" after I had asked you to assist me in my law enforcement efforts to stop boom box and noisy speeding dirt bikes on highway. And, hmmm, did you forget the apology for your bad attitude toward me regarding the noise "boom box" law, which as you can see is stated as I did in your office, is 50 feet, and none of that BS you were trying to tell me about decibels, and angrily demanding I tell you that law's classification. You called me a liar, when I was telling the truth as you can see below.....50 feet....and you refused to prove to me your version saying you do not have to prove anything to me. Such arrogance, ignorance, and typical police state mentality you display, earned you my deepest contempt.

" 9.36.030 - Prohibited noise.

No driver of a vehicle shall operate, or permit the operation of, any sound amplification system which can be heard outside the vehicle from FIFTY FEET or more when the vehicle is parked or operated in a public area....".

You owe me an apology, and a huge adjustment in your bully attitude. Your refusal to assist me I believe constitutes the crime of Obstruction.

I did not enjoy meeting you in person given your hubris and bully attitude. You have earned my contempt. And your stated view of your job being to be suspicious of people, and you take offense being told how to do your job is further evidence that you are poorly trained to be an MPD Peace Officer who is employed and sworn to enforce the laws and protect the Rights of United States Citizen Sovereigns. You do a disservice to all other MPD officers who do treat people with respect, and you do a disservice to this community when you act in ways that do not earn respect. Being a bully will not earn respect for you, but will create fear. I wonder if your training includes the lesson that a community that fears the police is your worse enemy? If it does, you apparently have not taken it seriously. Bad cop.

I suffer from being an eternal optimist, so while I am greatfull you are leaving the position here on Molokai, I do hope you develop the courage to change your perspective of your job and do act to earn respect as a real Peace Officer in your new position; and, that the new Capt. Tom who is replacing you here will earn the respect of those of us who are not MPD sycophants.

A community of people who respect their police department employees for good reason, is the greatest evidence of police doing their job right.

Alooooha, George Peabody <http://www.MolokaiAdvertiserNews.com>

Reviled Sergeant Tim Meyer retired Dec. 2010

While the sychophants at the Molokai Dispatch tout Meyer as "Revered", the facts remain that Meyer often lied, obstructed justice, false arrests, unlawfully took guns, violated Citizens' Constitutional rights, and violated even MPD policies during his employment at MPD. Meyer's two faced personality epitomized both "Good Cop" and "Bad Cop". Ultimately, many of us who admired and trusted him at first, learned later from personal experience that Tim Meyer could not be trusted to protect Citizens' rights or tell the truth if it doesn't benefit him and his gang at MPD. Alooooha!

WHAT CAN WE CITIZENS DO ABOUT BAD COPS? Enforce the Law!
Thomas Jefferson and James Madison both warned us that if government agents ever became the sole and exclusive arbiter of the extent of their own powers – that power would endlessly grow...regardless of elections, separation of powers, courts, or other vaunted parts of our system.

They were right. For over a century, we the people have been suing, and marching, and lobbying, and voting the bums out. But yet...year in and year out, government continues to grow and your liberty continues to diminish. And, it doesn't matter who is the president, governor, mayor, or what political party controls congress – the growth of power in the government never stops.

Power – the problem we face today is about power – and until we address the absolute fact that the government has too much power, nothing changes

Bill of Rights 2nd Amendment:
“A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.”

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

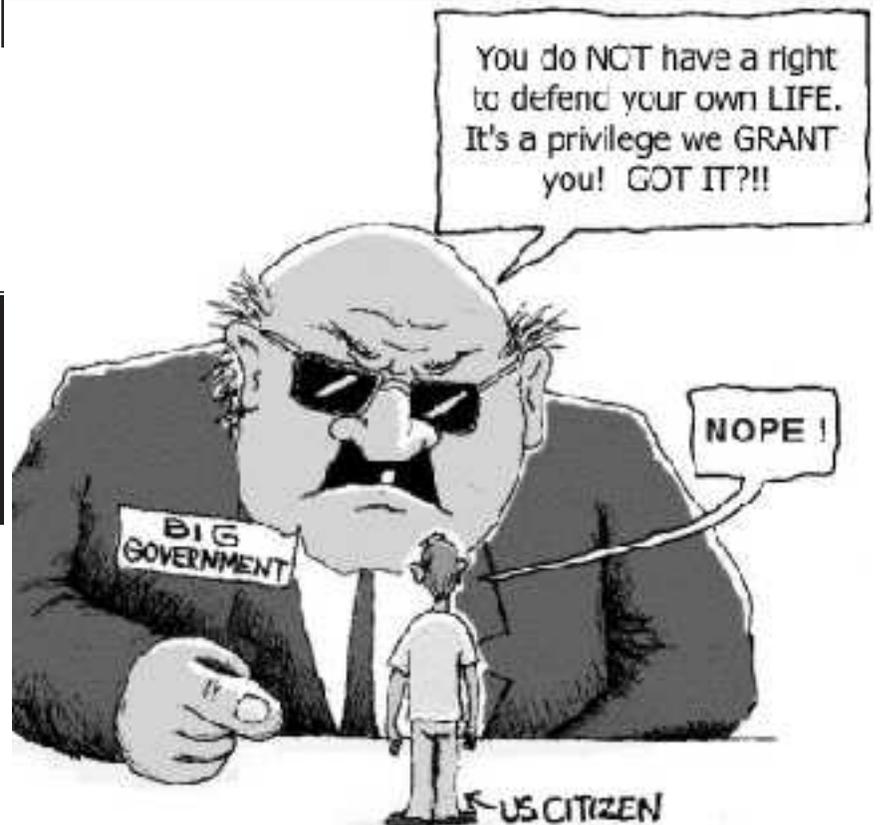

"The people cannot delegate to government the power to do anything which would be unlawful for them to do themselves."- John Locke

"Those who make peaceful change impossible, make violent change inevitable." -- Robert F. Kennedy

"Rebellion against tyrants is obedience to God." T.J.

Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

Keep Your Guns Close at Hand

Firearms needed against Congresscrittes to clean up gun laws ! But you wont have them if Obama's police state goons, and other Street thugs who are on the prowl, looking for your valuables get them first. Their favorite booty is your firearms collection, because not only can they use your guns as evidence they are enforcing federal laws, but street criminals can use them in the commission of crimes; AND, they are just as valuable as your gold coins, jewelry, art words. MAKAAALA! keep them within reach so you have them when you need them

The U.S. Declaration of Independence states "... That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed." Americans do NOT consent to stupid gun laws! The only valid gun law is the 2nd Amendment: "A well regulated militia, being necessary to the security of a free state, the right of the People to keep and bear arms shall not be infringed."

Many modern gun laws are simply stupid, and enforcement of these laws has proven too often be arbitrary, capricious and even vindictive by ATF and cops.

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

Freedom Is NOT FREE

DLNR Lemmo & A.G. Suzuki are Punishing Good Work

DLNR DOCARE Keif Apo shocked me with a surprise visit on Saturday saying that Sam Lemmo wanted to know if George Peabody had removed a sea-wall at Waialua Beach.

Above is a photo taken that day showing beach good, no erosion, and no obstructions to public access.

So why are Lemmo and Abercrombie's new A.G. Suzuki shaking the bones of a 10 year old resolved issue of State tyranny against George Peabody and claiming he must pay millions in fines?

"Looks like you are Malicious prosecuting, again. Do you see some bad things in this current photo of Waialua Beach fronting my house? I guess you enjoy perpetrating terrorism and racketerring under color of law," Peabody said.

By the way, Dunbar's 14 feet wide 300 feet illegal reventment seawall he built perpendicular to the shoreline that he was ordered to remove because his permits were obtained by fraud is still there, no fines, nothing, but doing continuous sand depletion downstream causing erosion. And recently Peabody made complaint about Miguel bulldozing Waialua Stream side causing huge amounts of mud to run onto the adjacent reef before he was stopped, and the pollution continues worse than ever.

But you dont give a damn, you want to take out George Peabody with fines and enforcement bullets because he protected the Waialua beach from pollution from the land after that big 100 year storm 1998 that washed out 50 feet of sandy beach, and knocked down shoreline trees, and threatened his house foundation! DLNR should have done that, but didn't do anything to help. DLNR refused to issue a permit based on State's fraudulent policy against seawalls of any kind. Your hubris is showing like a Tyrant. This is America, Sam Lemmo & Suzuki & Abercrombie and Obama, and I have rights and your are harassing me, attempting extortion by your threats, and I take great exception to your harassment. Better you go after the bad guys, instead of punishing the good guys who did what DLNR should have done, i.e., malama aina!

Look at the photo, Lemmo and Suzuki. To remove anything from this stabilized beach shoreline would pollute and destroy the public beach and cause exteme land erosion that eventually would destroy my home. If you see anything bad in that photo, you are fantasizing your way into malicious prosecution where you have no jurisdiction.

Sam Lemmo/Suzuki et al, your Complaint filed Dec. 7, 2010 is hereby dismissed, and you are Ordered to immediately cease and desist harassment, terrorism, and racketeering against George and Susan Peabody under penalty of Law. George Peabody, United States Citizen National, suri juris, ex rel. ARR.
