OverThrow King Obama Trial Update Orly Taitz from the State of Georgia

see website <http://www.OrlyTaitz.com>

Barack Hussein Obama aka Barry Soetoro was been ORDERED to appear in court in Georgia last week for trial, but he refused to appear to defend against charges that he is not Constitutionally qualified to hold Office of President. He refused to appear.

Obama can NOT qualify for POTUS, because his father was a citizen of Kenya, as a subject of the United Kingdom, at Obama's birth!

At the court hearing in Georgia January 26, attorney Orly Taitz presented the following evidence to prove Obama is a fraud, usurper, social security I.D. criminal, birth certificate forgery fraud, etc.

Orly Taitz' evidence submitted into record the following evidence:

1. affidavit and testimony of Chris Strunk in regards to Obama's use of last name Soebarkah
2. affidavit and testimony by Linda Jordan, that Obama's Social security number 042-68-4425 used by Obama, does not pass e-verify
3. affidavit and testimony by licensed detective Susan Daniels, showing that SSN used by Obama, was issued to another individual, who was born in 1890.
4. affidavit and testimony by Felicito Papa, Information Technology expert, who showed that Obama's alleged birth certificate on line, is a computer generated forgery. Also, evidence that on Obama's tax returns in 2009 he used the same SSN 042-68-4425, which was never assigned to him
5. affidavit and testimony by scanning and typesetting expert, Douglas Vogt, that Obama's alleged Hawaii birth certificate on line is a computer generated forgery and not a scan of a single document
6. affidavit and testimony of retired deportation officer John Sampson, testifying to evidence of fraud in Obama's birth certificate and social security number, as well as evidence, that Obama possibly immigrated to US together with his stepfather Lolo Soetoro. Mr. Sampson testified, that in cases like this he would seek a warrant for an arrest and deportation.
7. Orly Taitz also testified: I downloaded Obama's law license application from on line records, which showed him committing perjury and fraud and hiding his prior last names Soetoro and Soebarkah. I testified, that after I complained to IL bar, Obama changed his record from inactive to not eligible to practice law. I presented it to the judge to show a modus operandi. When I filed a complaint with the IL bar, Obama chose to forfeit his law license based on an expensive Harvard degree in order to hide his identity.

Orly Taitz summarized thus: When I served Obama with a subpoena to appear in court and provide certified copies of his long form Hawaii birth certificate, application for the Social Security card, immigration and naturalization records, Obama chose not to appear in court....he did it to hide his identity under the last names Soetoro and Soebarkah and hide evidence of Social Security fraud and forgery, she concluded.

Molokai Fire Extinguished After Threat to Kalamaula

The Kalamaula area brushfire was extinguished at 2030 hours last night.

A brush fire scorched 200 acres just west of Kaunakakai Sunday Jan 29. This was a very dangerous situation with large keawi trees near homes, and A Red Flag Warning means that critical fire weather conditions exist. A combination of strong winds, dry weather, and hot temperatures will create rapid fire growth potential. East winds of 20 to 30 mph with gusts up to 40 mph, relative humidity as low as 44 percent and temperatures in the 80s prevailed until evening and wind died.

The fire got within 50 feet from homes in Kalamaula Mauka, just west of Kaunakakai, but no damage reported. 28 fire personnel, with 5 from Lahaina, 2 county tankers, and 1 county loader also assisting with 4 personnel. E-4, E-9, T-4, E-12, 2 Public Works tankers, battled the blaze that was estimated area 200 acres.

Air-2 fire helicopter flew to Molokai with extra fuel and will assist with this brushfire as water dropper. An orange inflatable water tank was established in a vacant field nearby a fire hydrant for refills [see photo]

Fire personnel came across a shipping container on Hoomalu Drive with appliances stored within that sustained approximately \$5,000.00 in damages due to this brushfire. There were reports of a few flare ups, but they were within the burned area. No additional damages reported and no injuries reported. Monday night fire was under control, but a large area (approximate area done from air recon 130 acres) needed mop up to extinguish. E-4, E-9, E-12, T-4, and County tankers remained on scene to monitor and continue mop up operations throughout the night off Hoomalu Drive and nearby areas.

The cause of the fire is currently undetermined.

It's the second straight day of fires on the Friendly Isle. Two brush fires broke out Sunday in Hoolehua.

E9 investigates and finds an incendiary device about 10 feet into the burn off the highway in the Kalae fire. The device was identified as 2 "flower bloom with report" fire works taped together. There were no reported damages or injuries.

Fire Prevention Inspector and MPD investigating.

The National Weather Service in Honolulu has continued the Red Flag Warning for LEEWARD SECTIONS of MAUI COUNTY, in effect.

Hawaii Legislature 2012: SB 2625 STOP MOTOR VEHICLE INSPECTIONS

Abolishes requirement motor vehicles obtain annual inspection.

TESTIMONY: YES! We have suffered needlessly under the inspection scam for about 45 years, and it is way past time to TERMINATE the INSPECTION scam. Mahalos, George Peabody editor for Molokai Advertiser-News online since 1984 weekly <http://www.MolokaiAdvertiserNews.com>

Gun Laws Good

House Bill 417, introduced by state House Speaker Calvin Say (D-20), would require county chiefs of police to issue Hawaii Firearm Permits. Senate Bill 835 is the companion measure introduced by state Senator Sam Slom (R-8), who also introduced Senate Bill 836, which would authorize chiefs of police to issue licenses to openly carry firearms. HB 417 has been referred to the House Public Safety and Military Affairs Committee. (2011)

BAD: House Bill 441, sponsored by state Representative Blake Oshiro (D-33), is a divisive six-point omnibus gun control measure that would mandate firearms be sold with safety devices, impose ammunition registration, prohibit disclosure of the source of information used to deny a firearm permit to purchase based on the applicant's mental disorder, require the theft of a firearm be reported within 24 hours of the occurrence and prohibit import, sale and transfer of .50 BMG's or cartridges.

Who Signed NDAA Should Be Impeached

By Dr. Laurie Roth
NewsWithViews.com

Do you all realize yet just how much your freedoms have been betrayed by the signing of the NDAA Bill? Do you get it yet that this arrogant destruction is at the hands of Republicans, 'pretend Conservatives' and democrats, 'redistribution of wealth specialists?' It is time to stop protecting 'labels' and 'political parties' like they are God's anointed football teams. Any politician, including Obama is on the side of treason and treachery who signed this into law.

Under many names, including conservatism and liberalism, GOP and Democrat, our Constitution and freedoms are being crushed. Remember it was former Presidential Candidate and Republican Senator John McCain along with Senator Carl Levin (D) who sponsored the NDAA Bill, knowing full well that it was a complete violation of our Miranda rights, Constitution, Posse Comitatus and freedoms. It sets American patriots and conservatives up to disappear.

Drama queen Obama was promising all the way along to Veto this bill, as if anyone with a brain actually believed he was sincere with that threat. The truth was that according to Senator Levin, Obama wouldn't agree to sign it if the part about focusing potential arrests for terror suspicions weren't aimed at U.S. citizens. So, as cancerous leadership goes these days, the Senate gave into heir Obama. If they had been real servants and leaders they would have stone walled it and kept it from going forward when Obama made his threats and ultimatum. Instead they were cowards and sell out fascists.

Now, our military can legally grab you anytime out of your home without charges and whisk you off to Gitmo or any place in the world. That is indefinitely, without charges, no trial, and no phone call to your honey or anything. You would be gone.

Of course Heir Obama gave us a warm fuzzy the other day that he wouldn't use his power against U.S. citizens. Isn't that comforting, especially since Homeland Security, under Obama leaked the MIAC report in 2008 describing just about everyone as potential domestic terrorists? That included, pro life, pro 2nd amendment, pro state and federal sovereignty, those uncomfortable with Communist regimes and returning vets. That pretty much defines most of America as terrorists already.

Then we saw the activation of the FEMA camps, at least 72 of them peppered all across the country. Gee, its almost as if Heir Obama is planning or expecting a revolt or contrived national disaster. Ready for a move you loud mouth freedom lovers?

As unconstitutional as this bill is, Romney (Obama light) said he supported the NDAA Bill when asked about it in the last debate. How could any real American support such a Bill that literally shreds our rights and gives Dictatorial powers to the President and military. Romney wants to be my President while carrying the Constitutional betrayals forward.

I intend to fight with all that is in me to get elected President in 2012. My first week on the job will be very busy. Not only will I stop abortions, but I will use every ounce of power I have to destroy and repeal the NDAA law, Obama care bill, stop the destruction of Coal and power plants victimized by idiot regulations, build our military back up to where it must be, restore the Canadian Pipeline and much more.

People say you can't lead if you don't have political experience. I say you can't lead if you don't love God, your country and have some guts to do right.

The signing of the NDAA Bill is treasonous. McCain, Levin and ALL who signed this should be impeached and run out of political office. I could care less about the good of their career or party. Too stinking bad. I'm running as an Independent conservative and frankly I'm the only authentic Christian Conservative who is running. I intend to win with the help of God and the American people, then I will restore America to greatness, liberate the people and kick more than a few butts.

Obama Tells New York Archbishop Timothy Dolan Pay Obamacare Abortion

Secretary of Health and Human Services and pro-abortion Catholic Kathleen Sebelius just announced that the proposed mandate requiring all insurance plans to pay for contraception, sterilization and some abortion drugs is official -- and Catholics cannot escape...and the fig-leaf exemption for religious groups will not be modified, apart from allowing some groups an additional year to comply.

Cardinal-designate Timothy M. Dolan responded, saying: "In effect, the president is saying we have a year to figure out how to violate our consciences."

Beginning August 1, 2012 (less than eight months from today), the insurance premiums we pay, including the insurance premiums paid by Catholics for employees of churches and schools -- will be used to cover drugs and procedures that are in direct conflict with the teachings of our Church.

That's right. Our government will now force us to pay for insurance coverage for birth control, sterilization and even some abortion drugs.

Obama ignored the organized efforts of Catholics across the country, including bold statements from the Bishops, university presidents (including Notre Dame's Rev. Jenkins), and even his Catholic allies like Sr. Carol Keehan.

Instead, Obama stood with his real friends -- Planned Parenthood.

Make no mistake, this decision is a direct attack on you, our Church, and the religious liberty of all Americans. Pope Benedict XVI addressed the bishops from the United States and cited the "grave threats" to the freedom of the Church in America, and urged the Catholic community to respond.

Obama's Eric Holder on trial Fabricating Anti-2nd Am claim

Despite the obfuscation of the Democrat-complicit media, time will show that Operation Fast and Furious was the greatest political scandal in American history. The Obama administration's hubris of running an operation with the unmistakable intent of fabricating evidence to justify the impairment of citizens' Constitutional right to bear arms, leading to the weaponizing of violent criminals, the murder of Mexican nationals and even of an American border patrol agent, make the operation a state crime for the ages. Fast and Furious makes previous political scandals pale in comparison.

Attorney General Eric Holder is scheduled to appear before the House Oversight and Government Reform Committee tomorrow morning to answer for his failed leadership in regard to Operation Fast and Furious.

This operation, which was shepherded by Obama's Justice Department, has led to thousands of guns being smuggled into Mexico -- and to the deaths of two federal agents. Holder has already been caught in several lies and appears to be digging in his feet even further.

Committee Chairman Darrell Issa will be grilling Holder and has threatened the Attorney General with contempt charges if he continues stonewalling.

Issa warned that if the Attorney General continues to obstruct his investigation, "this committee will have no alternative but to move forward with proceedings to hold you in contempt of Congress."

Gun Owners of America [GOA] staff has been working closely with House committee members, and we will be attending the hearings and reporting to you on developments -- both public and behind-the-scenes.

We are slowly inching closer to the day when Barack Hussein Obama will sign the UN Small Arms Treaty, otherwise known as the "UN Programme of Action on Small Arms and Light Weapons." The UN is set to adopt this gun registration and confiscation treaty in late August of 2012, and Obama has indicated that he will sign it into law, effectively nullifying our Second Amendment right to keep and bear arms. What's equally troubling is that 75 percent of the Republican candidates for President have refused to answer questions about this treaty. We cover the latest on Obama's actions to circumvent the Second Amendment. Said Pratt: "This is yet another failure by Eric Holder, the most corrupt and incompetent Attorney General in the history of the Republic." Now is the time to put an end to Eric Holder's scandalous mismanagement of the nation's highest law enforcement office. Now is the time for Eric Holder to step down as head of Barack Obama's Department of Justice! How many more outrageous cases will Eric Holder initiate to advance Obama's political interests?

Damn right, way past time, DO IT NOW !! GITMO beckons Holder, too!

Bill of Rights 2nd Amendment:
"A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

Oceanic Time Warner Cable Internet Service Sucks:

Oceanic Time Warner Cable does not offer RoadRunner Internet service on Molokai. The Molokai offering, WAVE, is a substandard service of very low dependability. The only thing the Molokai WAVE service has in common with the RoadRunner service on other islands is monthly cost. A Broadband alternative to Oceanic WAVE service is unavailable to many Molokai customers. Oceanic is abusing its monopoly position charging RoadRunner rates for substandard WAVE service on Molokai.

We pay the RoadRunner Internet rate for WAVE Plus but receive only half the "Up To" speeds of RoadRunner.

RoadRunner: 10 Mbps download and 1 Mbps upload speeds

WAVE Plus: 5 Mbps download and 0.35 Mbps upload speeds

The "Up To" speeds are available only at times of low demand. The service deteriorates during the day. In the evenings, download speeds from the San Jose <<http://SpeedTest.net/>>SpeedTest.net site the Oceanic Technicians use on Service Calls frequently drops to download speeds in the low 1Mbps. When I call Tech Support, they agree all my stuff is working fine. The problem is a known issue, limited bandwidth for the Molokai customers currently using the system. When asked if the problem is being addressed, I get the response they are looking into it and could do something this year. They can adjust the bill for the poor service but seem little interested in fixing the problem.

A February 2011 letter from Oceanic stated service in Hawaii would be upgraded to 10 Mbps download and 1 Mbps upload speeds during the year. Also, a rate increase was granted for the upgrade of service. Rates for Molokai Internet service increased \$5/mo March 2011. Another rate increase is just months away.

WAVE service on Molokai was not upgraded and is not scheduled for upgrade. Customers using WAVE on Molokai should not pay for an upgrade they did not and will not receive.

So that's the skinny - WAVE on Molokai is substandard, they know it is substandard but happily charge RoadRunner rates. They may formulate a plan for upgrade before Global Warming raises the sea level sufficiently to inundate the island and make the effort unnecessary.

Rip Off comes to my mind. How about you?

Congress and the Constitution's 225th Anniversary

By Lee H. Hamilton

There's a major political event approaching this fall, and though I have no doubt it will be overshadowed by the elections, I hope you'll carve out some time for it anyway. On September 17th, we'll observe the 225th anniversary of the signing of the United States Constitution.

It's the document that set everything in motion, of course, creating the carefully balanced, three-branch representative government that we've come to take for granted. But 225 years is a long time, and it's instructive to reflect on what's happened since that piece of parchment was signed.

I'm thinking in particular of Congress, which the Framers considered to be so important they put it first, beginning with Article I, Section 1: "All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives."

The Framers wanted Congress to be the engine of law and policy in the United States. Fearful of replicating the monarchy from which they'd won their freedom, they wanted to keep the presidency from becoming too powerful, and so they created a powerful Congress with authority to declare war, enact taxes, and budget.

They wanted to be certain that the voices of the American people had a prominent place in the legislature's deliberations, and that debate, consultation, and a thorough airing of views were part and parcel of what Congress did. Congress was the keystone of republican government and the fount of policy leadership; the president, as George Washington insisted, was there to carry out legislative intention.

For periods in our country's history, especially in its early years and in the years leading up to the Civil War, Congress did, indeed, play the leading role the Framers envisioned. Congress today — the "broken branch," as two prominent congressional scholars called it a few years ago — doesn't even come close.

It is now a reactive body, hampered by partisanship and ideology, lacking creativity, focused less on policy leadership than on catering to constituents and to those who can help its members get re-elected. The central actor in American government today is the president.

Everyone understands that 2012 is not 1787. Yet I fail to see how the Framers' reasoning — that in a diverse democracy, power ought to rest with the representatives closest to the people — is out of date.

Quite the contrary. By any measure, our nation is poorer because Congress is not functioning as the strong, co-equal branch of government the Constitution envisioned. As we observe this milestone anniversary, it's worth a pause to honor the Framers' insight and wisdom, and to regret Congress's inability to live up to their ideals.

Lee Hamilton is Director of the Center on Congress at Indiana University. He was a member of the U.S. House of Representatives for 34 years.

Gov. Jan Brewer Has Heated Argument with King Obama

Gov. Jan Brewer of Arizona: "He didn't feel I had treated him cordially."

Upon deplaning Air Force One for his fifth official visit to Arizona, Barack Obama was greeted by Governor Jan Brewer.

Brewer handed the Obama a handwritten letter, they spoke and at one point she pointed her finger at him. It seemed they were talking over each other, then Obama appeared to walk away from the governor while she was still talking.

"He was a little disturbed about my book, Scorpions for Breakfast," Brewer told one reporter. "I said to him that I have all the respect in the world for the office of the president."

"The book is what the book is. I asked him if he read the book. He said he read the excerpt."

Asked what it was about the book that disturbed him, Brewer said, "That he didn't feel that I had treated him cordially." She added, "I said I was sorry he felt that way but I didn't get my sentence finished. I'll regroup."

"I thought we probably would've talked about the things that were important to him and important to me, helping one another. Our country is upside down. Arizona was upside down. But we have turned it around. I know again that he loves this country and I love thiscountry."

Romney Backed by Goldman Sachs, Bailout Banks

The top donor to former Massachusetts Gov. Mitt Romney's presidential campaign, investment banking and securities firm Goldman Sachs, received over \$10 billion in emergency lending and bailouts from the Federal Reserve after the 2008 financial meltdown, according to public sources and published reports.

Goldman backed Obama for election in 2008, and the firm, like many Wall Street institutions, is now backing Mitt Romney for president.

Romney has long had a close relationship with Goldman Sachs. In 1999 Romney purchased initial IPO shares in Goldman that netted him \$1.1 million in profits when he sold them in 2010.

And The New York Times recently reported that "many of the assets in Romney's blind trust" are managed by Goldman.

Today, Goldman is Romney's largest donor.

And nine of Romney's top 20 campaign contributors are big Wall Street Banks like Goldman. But Goldman leads all Romney contributors, having donated \$367,200 to his campaign, according to the Center for Responsive Politics.

Six of those nine top contributors received over \$161 billion in taxpayer bailouts, reports ProPublica, the independent, Pulitzer Prize-winning investigative organization.

Yes, lots of evidence points to Kenya as Obama/Soetoro's birth place, not Hawaii.

Lots of evidence shows the Obamagan is motivated by a lawless hostility toward the Constitution for the United States of America the Supreme Law of the Land; applies race biased invidious discriminatory animus toward middle class and poor

Caucasians; and, exempts his cohorts from the equal enforcement of the law to effect a power shift away from Constitutionally limited government in republican form by We The People to incrementally effect a race/sectarian biased Marxist socialist dictatorship under color of law, i.e., "fundamentally change America" as Obama promised he would do.

Obama should be immediately arrested for TREASON, War Crimes, Fraud, etc. etc. along with all his Czars and attorneys and justice obstructing federal judges and complicit members of Congress and Senate, and Bush I&II, and Clintons B&H, Pelosi, Reid, and State of Hawaii governors Linda Lingle, Neil Abercrombie, DNC,

RNC, militant Black Panthers, Zionists, and Neo-Cons. If not, USA is on the fast track to 3rd World Order.

Blogger Koos is right: White voters let their self-hatred and white coolie guilt overrule good sense and good judgement when they voted for this slimeball illegal alien fraud Obama/Soetoro, and his cabal of far-left Israel-first and Muslim Black Nationalist enemies of the Constitution and the natural born American Citizens and good legal immigrants. You deserve Obama government, unless you repent to God and take immediate action to correct this Constitutional crisis as is our DUTY as described in our 1776 Unanimous Declaration ! George Peabody, editor since 1984.
