Who Owns Molokai ?

Kong Ohana seeking Justice is Disrespected by Abusive Judge Rhonda Lai-Loo When they invoke their right to jurisdiction and a fair trial as Sovereign American Citizens

report by George Peabody

Rhonda Lai-Loo

Momi and Soloman Kong knew the judicial system is corrupt because they were forcibly evicted from their 1.5 acre agriculture home in east Molokai's Kaluaaha area by government agents, judges, and greedy attorneys using fictitious color of law and Maui County Real Property Tax enforcement to take their land in violation of their rights protected by the Constitution for the United States of America. When the same cabal of ethics-challenged people filed false vindictive criminal trespass charges against Momi and Cheryl Kong, they knew they would be again persecuted by abusive judges, prosecutors operating a racket under color of law in Molokai District Court where they said they have no rights to due process or jurisdiction. To cure the problem of jurisdiction, they removed the case to United States Court where they have jurisdiction and their tormentors are required by law to respect the Sovereignty of Americans and are prohibited from judicial abuses against American Citizens by the Constitution for the United States of America.

The Kongs filed their legal notice of removal of the case to United States Court with Leslie the Clerk at Molokai District Court, and that ended any lawful jurisdiction by Judge Rhonda Lai-Loo, if any existed. All proceedings in Molokai District Court were thereby lawfully abated by due process law, added Kongs.

[As a matter of law, once a jurisdictional challenge is raised, all proceedings must stop until the jurisdiction issue is lawfully resolved in United States Court]

Now COMES judge Rhonda Lai-Loo, a former Maui prosecutor who is also married to a MPD police officer. She began a litney of bullying chaotic ramblings directed at the Kongs when they as a courtesy voluntarily appeared in "her courtroom" [not a Constitutional Court of Law] to peacefully allow her to acknowledge their jurisdiction to conduct court in United States Court. But like a very unstable and disturbed person, as a tyrant who lacks all respect for Law of the Land that protects the rights of sovereign American Citizens and by which all judges are allowed to retain their position as public servants ONLY during good behavior and are thereby bound to obey under penalty of law, Rhonda Lai-Loo ranted on and on in an apparent attempt to provoke and coerce Momi and Cheryl back into this corrupt judge's racketeering jurisdiction and preventing Momi Kong from freedom of speech. Momi Kong said she did manage to state for the Record, that Rhonda Lai-Lo has no jurisdiction [over her as a Sovereign American Citizen in personam, and no jurisdiction in the case at law], and she rejected the judge's attempts to schedule another hearing date: no jurisdiction!

Kongs' challenge against the jurisdiction unlawfully claimed by Rhonda Lai-Loo, and the removal of the case by Kongs to United States Court obviously is an embarrassment to the judge. Apparent to the Kongs and other witnesses to this unlawful and very clear hubris and abuse of judicial authority, judge Rhonda Lai-Loo is biased against the Kongs and a whole class of American Citizens who are pursued with alacrity, coerced and threatened to appear in her court of racketeering to be deprived of their freedom, their savings and their labor to support her ongoing racketeering monopoly and the attorneys complicit such that Kongs and others are undoubtedly denied a fair trial. Rhonda Lai-Loo's actions and the complicit attorneys who also benefit from this racketeering at Molokai District Courthouse amount to class biased invidious discriminatory animus, obstruction of justice, Witness Tampering, voids requirements for due process, and is just plain "UGLY", as Kongs described it.

The Kong Ohana asked where is the oversight authority to stop such abusive and bullying behavior by judges like Rhonda Lai-Loo? It seems the Committee on Judicial Evaluation and Performance would be on call for such complaints. But guess who is listed as a member of that committee: one Rhonda Lai-Loo!!

Judge Loo is also a member of the Single Tier Committee, the Business Process Assessment Committee, Charge Code Validation Table subcommittee. Spooky sounding names for the Oppressive Elite to plot racketeering methods and a legal vortex to be executed against naive American Citizens who don't know their jurisdiction or their rights and believe judges/attorneys are little gods.

All this bad behavior by judge Rhonda Lai-Loo reported by the Kongs begs these questions: 1] Is judge Loo liable for damages to her victims? 2] Should she be removed from her position as a judge? Everyone knows that judges claim immunity for even wrongful judicial behavior or decisions. But it is established law that judges ARE liable for actions in the clear absence of their jurisdiction.

A judge will not be deprived of immunity because the action she took was in error, was done maliciously, or was in excess of his authority; rather, she will be subject to liability only [435 U.S. 349, 357] when he has acted in the "clear absence of all jurisdiction." 7 13 Wall., at 351. But the conduct of a judge surely does not become a judicial act merely on her own say-so. A judge is not free, like a loose cannon, to inflict indiscriminate damage whenever she announces that she is acting in his judicial capacity. 5 [435 U.S. 349, 368]

[Editorial : Judges and attorneys and politicians who support judicial immunity claim there is "an aura of deism which surrounds the bench essential to the maintenance of respect for the judicial institution, because without immunity, judges would feel intimidated and fearful of critics. But a judicial institution in republican form as guaranteed by the Constitution for the United States and every American Citizen is not protected by exonerating from liability such lawless conduct and fraud as perpetrated by judge Rhonda Lai-Loo and Maui prosecutor Kevin Werk against the Kongs. And if intimidation of judges and prosecutors and police officers and politicians would serve to deter its recurrence, that would surely be positive action in support of the rights guaranteed to We The People against abusive servants.

We The People hold the Police Power over our servants in government offices. The People have the right to insurrection, just as clearly did the signers of the Unanimous Declaration 1776 in their indictment of King of England. Insurrection in these United States of America is a legitimate democratic right when faced with a usurping government and a coup-supporting para-military police force such as MPD; so strike out for freedom and sovereignty, march and engage in civil disobedience against corrupt judges, attorneys, politicians, police, and imperious bureaucrats, because that is "a necessary process when the republican institutions of our country is disrupted by Usupers et al, Obama included.

It is also established case law by the U.S. Supreme Court that judges cannot punish with contempt charges American Citizens who criticize them. There are in fact, at least three such pertinent rulings on the issue, Craig v. Harney 331 U.S. 367 (1947); Pennekamp v. State of Florida, 328 U.S. 331 (1946); and Bridges v. State of California, 314 U.S. 252 (1941).

Makaala ! These tyrants who call themselves judges, and their complicit benefactors of racketeering, i.e., sheriffs, police, attorneys, have a big financial stake in maintaining their usurped powers. Is your freedom worth resisting it?]

 Original material: marble
 Dimensions: 2' x 4'
 Sculptor/Carver: not known

Documented material history:
 • 1852-54: "The legislature selected marble from the El Dorado County quarry east of the village of Ringgold . . . On October 29, 1852, George Marsh was paid \$93 by McBride & Colburn for 15 days labor on [three] blocks for the Washington Monument. At the direction of Governor John Bigler and Colonel John F. Hall, the blocks were hauled by ox team, driven by teamster Thomas Hall, from the quarry to Sacramento. During the great Sacramento fire of November 1852, two of the three blocks were destroyed. After McBride & Colburn were paid \$3000 for the marble blocks on June 29, 1853, the remaining block was shipped alone; and notice of its arrival in Washington was received on March 29, 1854." Bill of Rights 2nd Amendment:
“A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.”
Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."
 (Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"The people cannot delegate to government the power to do anything which would be unlawful for them to do themselves."- John Locke

"Those who make peaceful change impossible, make violent change inevitable." -- Robert F. Kennedy

"Rebellion against tyrants is obedience to God." T.J.

Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

A Man with a gun is Sovereign. An Unarmed Man is a mere subject without rights

Supreme Court said in last year's landmark Heller decision, the Second Amendment is an individual right that 'belongs to all Americans'. The Ninth Circuit Court of Appeals decision in Nordyke v. Alameda County found that previous cases don't prevent the Second Amendment from applying to the states through the due process clause of the Fourteenth Amendment.

A well regulated Militia, being necessary to the security of a free state, the right of the People to keep and bear arms, shall not be infringed.

The people also have the right to insurrection. Insurrection is a legitimate democratic right when faced with a usurping government and a coup-supporting military; so strike out for freedom and sovereignty, march and engage in civil disobedience because that is "a necessary process when the republican institutions of our country are disrupted by Usupers like Obama, et al.

DEADLY FORCE JUSTIFIED or Abused?

you are only justified to use deadly force when your attacker shows the ability, opportunity, and intent to immediately inflict serious bodily injury to you or those around you.

However, you are only justified to use deadly force to stop the threat.

Once the immediate threat of serious bodily injury or death ends, additional use of force is no longer justified.

Justified use of deadly force can turn into a murder charge when shots are fired AFTER the threat has ended.

U.S. Supreme Court rulings on the sovereignty matter:

"Sovereignty, itself, is, of course, not subject to law, for it is the author and source of law. In our republican form of government, sovereign powers are delegated to the agencies of government, sovereignty itself remains with the people, by whom and for whom all government exists and acts."

Yick Wo v Hopkins and Woo Loo v Hopkins, 188 US 356 [1886]

A republican form of government is guaranteed by the federal Constitution for the united States of America, to each of the States of the united States of America. This unique government in republican form is the only one in the world in which we must govern ourselves and protect ourselves because there is a time when the operation of the "machine" becomes so odious, makes you so sick at heart, that you can't take part in it any more; you can't even passively take part, and you've got to put your bodies upon the gears and upon the wheels, upon the levers, upon all the apparatus, and you've got to make it stop. And you've got to indicate to the people who run it, to the people who own it, that unless you're free, the machine will be prevented from working at all !

A republican form of government is one in which we govern ourselves and protect ourselves by binding our public servants with the chains of the Constitution for the United States of America, and keeping our guns loaded and ready to resist Tyrants who think they are our Masters.

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

Obama's Proposed Healthcare Federal Law is Dangerous to Americans' Health & Freedoms

Defendant Obama is named as "de facto president of the United States."

Letter from SteeveArlen@aol.com wrote: Senator Bayh,US Congress

As a practicing physician I have major concerns with the health care bill before Congress. I actually have read the bill and am shocked by the brazenness of the government's proposed involvement in the patient-physician relationship. The very idea that the government will dictate and ration patient care is DANGEROUS and certainly not helpful in designing a health care system that works for all. Every physician I work with agrees that we need to fix our health care system, but the proposed bills currently making their way through congress WILL BE A DISASTER IF PASSED.

I ask you respectfully and as a patriotic American to look at the following troubling lines that I have read in the bill. You cannot possibly believe that these proposals are in the best interests of the country and our fellow citizens...Senator, I guarantee that I personally will do everything possible to inform patients and my fellow physicians about the dangers of the proposed bills you and your colleagues are planning to impose upon us, without our consent.

READ THESE CAREFULLY AND CONSIDER WHAT EVIL WOULD RESULT !

Page 429 Lines 13-25: The GOVT will specify which doctors can write an end-of-life order. (I wouldn't want to stand before God after getting paid for THAT job!)

Page 430 Lines 11-15: The Govt will decide what level of treatment you will have at end-of-life! (Again -- no choice!)

Page 489 Sec 1308: The Govt will cover marriage and family therapy. (Govt will insert itself more into your marriage !)

FBI- tracking Your cell phone ~!

Obama's FBI and other police agencies don't need to obtain a search warrant to learn the locations of Americans' cell phones, says Obama's Department of Justice attorneys who told that to a federal appeals court.

Obama's DOJ attorney Mark Eckenwiler said There "is no constitutional bar" to acquiring "routine business records held by a communications service provider." He added, "The government is not required to use a warrant when it uses a tracking device."

This is the first federal appeals court to address warrantless location tracking, which raises issues of government surveillance and whether Americans have a reasonable expectation of privacy and their location.

Location data can reveal whether people "have been at a protest, or at a meeting, or at a political meeting" and that rogue governments could misuse that information to arrest people.

Police are tapping into the locations of mobile phones thousands of times a year, but the legal ground rules remain unclear—that is if they ignore the 4th Amendment on privacy.

When the government acquires historical cell location information, it effectively commandeers our cell phones and turns them into electronic trackers that report, without our knowledge or consent, where we have been and how long we have spent there.

Cellphone tracking! Armed Drone planes to kill suspects.....makaala!!!
