Volume 27 Number 6 The Militia of Molokai's Community Newspaper—Every Wednesday February 9, 2011

Author Gail Omoto didn't just sign her name, she asked each child's name, wrote something special and gave the gift of her book. Christian proudly said his name to be written in his book.

The Tutu & Me staff and keiki's parents helped make a Pili the 'Iwa Bird hand puppet to accompany the free book

“Malama Moloka'i 2011”

Author Gail Omoto was the featured guest at last weekend's 7th Annual Keiki Expo. She took the time to speak to all 250 copies of her newest book, *Pili the 'Iwa Bird Flies Again*.

Families and keiki visited the services offered by Moloka'i agencies, collected stamps on a card and turned them in for the free book, signed and personalized by the author. Moloka'i Preschools, elementary schools, the public health nurses from the Department of Health, Molokai Community Health Center's Outreach and Infant Toddler Programs, Read to Me from the Molokai Public Library, Queen Liliuokalani Children's Center as well as Kamehameha Schools offered information about enrollment and services. Fun, creative activities and a place to sit and quietly play were offered.

Free Keiki ID's door prizes and the performances of Punana Leo o Moloka'i, Hula Halau o Kilohana and the kindergarten students in MC Tania Will's class were among the most prized activities offered. Lori-Lei Rawlins-Crivello again coordinated the agencies for this most successful Keiki Expo 22011.

J-seaAnn shows how simple blocks and a tumbler can be creative fun.

The Queen Liliuokalani Children's Center offered a truly “malama” activity to take home -- a kalo keiki to take home and nurture.

Photo below:

Kumu Tania Will served as lively emcee and even brought her class and other keiki from Kaunakakai to sing and dance a malama song about the humpback whales now visiting our ocean waters.

Dayten and William, shared toys at the quiet Ikaika Infant & Toddler's play mat.

Keiki Expo started many years ago with agencies serving the young children of Molokai at a day called Keiki Fair. Then held at Kaunakakai School, there were many of the same activities, and many new activities. At this 7th Annual Keiki Expo, there are some of the same agencies, the elementary schools, and more hands-on play and educational activities for children and their families. Thanks go to the agencies, and the sponsors for another great day to malama Molokai's keiki and families.

Valentines were the theme at the Kaunakakai Elementary School's table, some cute favors dreamed up by PCNC Auntie' Yvonne Friel.

Gail Omoto signs a book for Haley, who looked eager to read the story of Pili the 'Iwa Bird.

(photo at left) AND at the Read to Me table from the Molokai Public Library Valentines and Chinese New Year books were on display while parents and keiki could make a Valentine's Day card!

The Ikaika Infant & Toddler teaching staff took time to meet the newest MCHC staff members. Dentist Boki Chung (right front row) and Family Practitioner Traci Stevenson (back row, center) with Claire Iveson, Malia Busby and Amanda

Obama's ATF Wants Your Gun

They are coming for your guns any way they can! The Bureau of Alcohol, Tobacco, Firearms and Explosives is waging a war on innocent gun owners, and not surprisingly, the Obama administration has done nothing to keep them in check. If you forced to give up your Right to Keep and Bear Arms to ATF, give them the bullets first.

You are no doubt aware of how the agency has been going after honest gun dealers in recent years. Combine that with byzantine federal laws and regulations -- subject to BATF interpretation -- and it's no wonder the number of FFL holders has decreased almost 80%.

Then there was former National Guardsman David Olofson. In 2008, Olofson's loaned AR-15 malfunctioned at a range -- firing a three-round burst with a single trigger pull. The ATF could only replicate the malfunction after experimenting with different types of ammunition behind closed doors. Having achieved the result they wanted, the ATF labeled Olofson's gun a machine gun, and he was sentenced to three years in prison for an illegal "transfer."

The agency also put millions of gun owners in its crosshairs when it reclassified shotguns that are equipped with pistol grips. By decreeing in 2009 that such firearms are not "shotguns," the ATF acted as a de facto legislative-making body... quietly turning millions of gun owners into potential criminals overnight.

If the weapons are not "shotguns," then what are they? The NFA Owners Association suggests the only logical alternative is that such firearms are now "destructive devices" -- in the same category as grenade launchers, which require owners to register their weapons and pay a \$200 tax. Failure to register such weapons and pay the required tax would result in the same treatment that David Olofson received.

Then there is the ATF's "Gunrunner" program: Senator Charles Grassley questioned ATF head Melson about program the ATF started in 2005 to stop US guns from getting into the hands of Mexican drug cartels, because it appears that the ATF has its fingerprints on many of the strawman gun sales that are grabbing so many headlines. On January 30, newspaper headlines in El Paso, Texas, stated that: "[ATF] intentionally permits arms to be trafficked into Mexico."

Apparently one of the gun sales the ATF sanctioned went to suspected straw purchasers who later shot and killed Border Patrol agent Brian Terry. But when Sen. Grassley asked the ATF head for an accounting, the agency instead cracked down on the internal "whistleblowers" who supplied him with the information.

Imagine that... if the agency is willing to put the squeeze on its own agents, what are they willing to do to the rest of the population?

This lack of integrity on the part of ATF management is reminiscent of a 1993 60 Minutes feature story. In it, ATF agent Bob Hoffman stunned interviewer Mike Wallace by saying that "the people I put in jail have more honor than the top administration in this organization."

For over three decades, the ATF has had a record of abuse -- not only in its treatment of the few honest agents that work there, but also in their treatment of law-abiding gun owners. Even as far back as 1982, the Senate Subcommittee on the Constitution found that 75 percent of ATF gun prosecutions were aimed at ordinary citizens who had "neither criminal intent nor knowledge," but were "enticed by agents" into unknowing technical violations.

ACTION: Ask your Hirono and Hanabusa to urge the Chairman of the Oversight and Government Reform Committee to hold hearings on the ATF. You can click on the Gun Owners Legislative Action Center to send your Representative a pre-written message. **DO IT NOW !!**

Bill of Rights 2nd Amendment:
"A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."
Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)
 If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights! Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

ATF: Tyrants

Federal Oversight Investigator Brian_Downey@judiciary-rep.senate.gov :

Please update me on the investigation and prosecution of ATF criminals perpetrating Operation Gun Runner that supplies Mexico criminals with guns traceable to USA so that ATF can lobby for more powers and funding.

WTF and Sarcasm : The Poor ATF

I'm very worried about the state of affairs over at America's finest law enforcement agency, the Bureau of Alcohol, Tobacco, Firearms, and Explosives. The BATFE.

I was thinking how terrible this whole "Project Gunwalker" is going to become for the BATFE. It appears that this sterling group of freedom loving American bureaucrats may have smuggled as many as 3,000 firearms into Mexico in an effort to catch the people who supposedly smuggle firearms into Mexico.

Readers, listen you do not want to know about this. So don't go to David Codrea's blog and find out all the details. And that wild eyed guy Mike Vanderboegh? (I mean he's on the SPLC's oogie boogie bad guy list!) You simply MUST NOT visit his blog site. I'm warning you: Ignorance is bliss. Stay blissy, America. Stay Super Bowl, beer burp blissy.

Of course, why the "Drug Lords" of Mexico would pay full retail from gun shops in the U.S. (and leave a paper trail) when they can buy Chinese or Russian full auto AK-47s by the crateful at bargain prices at nearly any Mexican port, does present a bit of a quandary to most logical thinkers. Please! Let's not get bogged down in details and reality. The ATF is here to protect us, right?

Because I'm sure that the brilliant and patriotic Americans who are running the BATFE have their reasons for smuggling guns to stop the smuggling of guns. And all this muttering about padding their gun trace statistics to justify a budget raise? Sheer hateful poppy cock!

Anyone who criticizes the BATFE is almost certainly a member of a "hate group". And probably a "racist". And even probably a "seditionist". Yeah! That's the ticket! And an "insurrectionist" also! Only really, really bad people criticize the BATFE. See, "The Gang" movie from JPFO, or Call The MAN 558-8253.

That an American Border Patrol agent (an ex-Marine by the way) was reportedly gunned down by one of these BATFE smuggled firearms is just a quirky glitch in what has been an otherwise glittering history of flawless performances.

Nobody does it like the BATFE, friends: Ruby Ridge in Idaho! Gorgeous! Flawlessly executed! Waco, Texas! Stunning execution! Uh...I mean performance.

But do you know what really scares me now? I'm praying that Wikileaks doesn't have anything on our sacrosanct BATFE. I'm hoping beyond hope that Wikileaks' Julian Assange realizes how important the BATFE is to our personal liberty here in America and doesn't rock the boat. Some things are best just kept secret. Secrecy is really important to freedom because the truth threatens freedom. So lies actually protect your freedom. Got it? If not? Get with it. Read 1984.

You know what else I'm really afraid of? I'm simply terrified of the idea that some hacker, some nut case, some right wing extremist computer evil genius hater (who probably owns a high capacity ammunition magazine) will actually break into the BATFE's database. Like one of those "Stuck Up Worms" or something? I shudder to think. Because, our government (eternally trustworthy, as we've seen in recent years) would not know where to begin looking for citizen owned firearms! How would our politicians be able to protect us from ourselves?

I'm sure that the BATFE's computers are quite secure. I'm sure they have hired the very best and the brightest to protect those computers. Just as they may very well have hired the best and the brightest to bring us "Project Gunwalker", even bester and brightest to pull off what may be an impossible cover up.

Three Unanswered Questions:

Was Barack Obama Born in Kenya?

Is He Really a Citizen of Indonesia?

Does the Constitution still Matter?

We the People

OBAMA IS A USURPER!

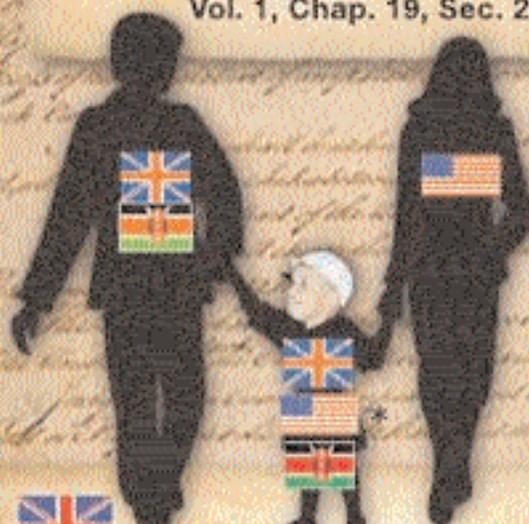

U.S. Constitution, Article II, Section 1, Clause 5 . . .

No person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any person be eligible to that Office who shall not have attained to the Age of thirty five Years, and been fourteen Years a Resident within the United States.

DEFINITION

The natives, or natural-born citizens, are those born in the country, of parents [both] who are citizens.

Emer de Vattel, "The Law of Nations and Principles of Natural Law," Vol. 1, Chap. 19, Sec. 212

"Citizen" of the U.S. if he was physically born in Hawaii, not born elsewhere and falsely registered as born there after the fact.

At birth, Barack Obama acquired dual citizenship through his British **non-U.S. citizen father**. Our Founders excluded dual citizens from eligibility to the Presidency for national security reasons.

Every military order Barack Obama gives as Commander-in-Chief, every bill he signs into law, and every executive decision he makes while unconstitutionally seated in the Office of President, are unconstitutional, and hence illegal. Obama is NOT a "natural born Citizen" of the USA.

The U.S. Courts and Congress MUST address the merits of the charges for this constitutional issue, and constitutionally remove Barack Obama in order to preserve, protect and defend the Constitution of the United States. This is their sworn Oath to the Constitution and to the American people.

Testimony from a Mombasa science teacher and the Mombasa Registrar of births that Obama's birth certificate from Mombasa is genuine. A copy of President Obama's birth certificate that Lucas Smith obtained through the help of a Kenyan Colonel who got it directly from the Coast General Hospital in Mombasa, Kenya.

"On August 4, 1961 Obama's mother, father and grandmother were attending a Muslim festival in Mombassa, Kenya. Mother had been refused entry to airplanes due to her 9 month pregnancy. It was a hot August day at the festival so the Obama's went to the beach to cool off. While swimming in the ocean his mother experienced labor pains so was rushed to the Coast Provincial General Hospital, Mombassa, Kenya where Obama was born a few hours later at 7:21pm on August 4, 1961. Four days later his mother flew to Hawaii and registered his birth in Honolulu as a certificate of live birth which omitted the place and hospital of birth."

We are very proud Obama was born here. We have a shrine for him and there are many people who remember his birth here as he had a white mother. Fortunately, we have pictures of his parents with him immediately after his birth at the Mombasa hospital with the hospital in the back ground.
