Obama-Muslims vs Christians U.S. National Prayer Day Cancelled, but Muslim Prayer Day Hosted by Obama

In 1952 President Truman established one day a year as a "National Day of Prayer." In 1988, President Reagan designated the first Thursday in May of each year as the National Day of Prayer.

In June 2007, candidate for Office of President of the United States of America Barack Obama aka muslim Barry Soetoro birth certificate of Kenya declared that the USA was no longer a Christian nation.

The real view of Obama's **CHANGE.**

In 2009 defacto Usurper-President Obama, canceled the 21st annual National Day of Prayer ceremony at the White House under the rouse of "not wanting to offend anyone" with religious activities at the White House seat of government.

But then, on September 25, 2009 from 4 am until 7pm, a National Day of Prayer for the Muslim religion was held on Capitol Hill, beside the White House. There were over 50,000 Muslims that day in DC.

[You can confirm this info: <http://www.islamoncapitolhill.com/>] and see tops left of page "Our Time Has come".

Muslim religion teaches believers that if Christians cannot be converted they should be annihilated. [Very similar to Zionist-Jews' Talmud teachings.]

I guess it doesn't matter if "Christians" are offended by this nationally represented Muslim religious event at the White House - we Christians obviously don't count as "anyone" while the muslim Obama is usurping the Office of President.

The words of 2 Chronicles 7:14 for Christians:

"If my people, who are called by my name, will humble themselves and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

We must pray for our nation, our communities, our families, and especially our children. They are the ones who are going to suffer the most if we don't PRAY, and take action now to inforce the Constitution for the United States Of America and the Bill of Rights to arrest Obama's usurpations of Office and his treason against United States Citizens.

May God have mercy...IN GOD WE TRUST.

I shall pass this way but once; any good, therefore, that I can do or any kindness that I can show to any human being, let me do it now. Let me not defer nor neglect it, for I shall not pass this way again.

Fired MPD Cops/SHOPO Demand Reinstatement, Pay

They want to be MPD officers again, and demand back pay, too.

Former MPD police officers Martell Irish and Derek Kaaukai, both of whom were fired after Internal Affairs and prosecutors declared that there was overwhelming evidence supporting their terminations after they were accused of beating Joseph Crisafulli.

The victim was being transported to Wailuku jail by officer Irish on December 19, 2004, but was first taken to a Makawao cane field where he said another police car arrived and the two officers beat him with punches, kicks, and "clotheslining" and slammed him onto a patrol car, then put him back into the patrol car and transported him to jail where he was charged with resisting arrest. Charges dropped.

Then police chief Thomas Phillips said the evidence against the two officers was just cause for firing both Irish and Kaaukai. Criminal charges against Kaaukai were not prosecuted because Crisafulli could not identify him. Criminal charges of misdemeanor assault against Irish resulted in a not guilty verdict.

With police union SHOPO support, Irish and Kaaukai are demanding they be reinstated as MPD officers, their disciplinary records purged, and back pay from the date of termination until they are rehire, plus lost overtime pay, standard of conduct pay, step movements pay, retirement contributions, special duty pay, and medical insurance premiums, plus 10% interest on their lost earnings. This was all ordered by arbitrator Patric Yim ordered all this January 4.

Maui County Deputy Coporation Counsel Moana Lutey said she will file a motion to overturn the order because "Mr. Yim's decision was completely improper and has opened up the MPD to potential liability. Therefore, we will be filing a motion to vacate the order....There was overwhelming evidence supporting the terminations of both officers that was improperly disregarded by Mr. Yim. Considering the obvious flaws with the arbitration decision, we believe the order will be vacated," she said.

United States Soldiers Forced to Serve Under United Nations Foreign Commanders pursuant to Presidential Order PDD 25

U.S. Presidents have a long history of violating the Constitution for the United States of America by exceeding their authority with so called Executive Orders, and this PDD-25 from Bill Clinton is one of the worst to violate the Constitution by allowing the President to form special secret alliances with the United Nations and forcing American soldiers to serve under the United Nations.

Clinton intended that PDD25 could be used by future socialist/communist Presidents like Obama the Usurper, to force US soldiers to serve the One World Order and to globalize America. This PDD-25 has been adopted by Barack Obama, and it has been classified as TOP SECRET, and not even Congress was allowed to view i.t. Until recently, that is, because spc Michael New refused.

Before New held his Oath above Clinton's unlawful treasonous order, he was decorated for his service in Kuwait, was offered Officer Candidate School. But when Clinton ordered his unit to wear U.N. blue in Macedonia, to serve under foreign military, New offered to serve in Macedonia as a medic and promised to help his fellow soldiers, but said that he would not wear the UN uniform because of his oath to serve the United States.

Just one U.S. soldier, spc. Michael New, refused to wear the U.N. blue and serve foreign commanders, and Clinton had him bad conduct discharged and court martialled while denying New the evidence he needed for his defense, i.e., the infamous PDD25 top secrete and ultra vires Executive Order. New is the only soldier ever charged and convicted because he refused an unlawful order to serve foreign commanders instead of serving USA exclusively per his Military Oath.

Bill Clinton violated his Oath of Office by loaning US soldiers to foreign commanders who had sworn allegiance to the Charter of the U.N. not the US. But specialist Michael New recognized this was treason, and kept his Oath to USA.

On January 24, 1996, a court martial jury of 7 Army officers and non-coms reluctantly announced a guilty verdict, dishonorable discharge and jail.

Obama is on record that he wants laws that give the United Nations: 1. A standing army --which is prohibited by our own Constitution for the United States of America, the Law of the Land; 2. Mandatory registration of all guns in the hands of American Citizens; 3. Taxes on worldwide fossil enbergy production to support One World Enforcement; 4. Political control of the global economy.

Unedited versions of PDD25 are with the CIA, Hillary Clinton, Obama, and the Clinton Library, but are all being held back from FOIA requests even now after it has been declassified. Congress must investigate this obstruction and treason. U.S. soldiers must not be forced to serve under the United Nations, to become mercenaries for the One World Order, against our Constitution. Every soldier is bound to obey ordery, and to REFUSE TO OBEY UNLAWFUL ORDERS.

Contact Congressmembers and demand investigation of PDD25 !

Domestic Violence; Bad Judges, etc

Congratulations Angels!! <http://www.angelgroup.org/>

Your hard work has paid off and H.C.R. 81 and S.C.R. 91 have been set for hearing next week. Senator Gabbard's draft of the resolution posted below. Representative Mizuno introduced this "House Concurrent Resolution" and you will find the link to H.C.R No. 81 below

AngelGroup for more information. <http://www.angelgroup.org/>

Call for an Audit of the Family Court!!!

At last a legislator has drafted a resolution that calls for an audit of Hawaii's Family Court. Senator Gabbard has taken a tough stance and the hard road. He's put a steel-toed boot in the closed door policies of the judiciary; the same judiciary that doesn't deserve your faith, trust and confidence because it refuses to hold itself accountable.

There is a crisis of epidemic proportion in the Family Court and this is:

Judges aren't following the law, and there is no effective accountability system to punish bad judges. JAIL for JUDGES hasn't been adopted in Hawaii largely because of resistance from judges themselves.

Child Support Abuses and Firing Bad Judges

Judge Christine E. Kuriyama up for retention must be stopped.

Many of you have written to AngelGroup, alleging harm from Judge Christine Kuriyama. She has petitioned the Judicial Selection Commission to be retained in office for a new term. Her appointment is up on May 19, 2010.

If you have a summary of how this judge or any judge has harmed you, your family, or your rights under law, please weigh in by writing to the Commission. Commission invites interested persons to submit written comments on whether the justice and judges should be retained in office for a new term. All comments will be kept confidential. Written comments must be delivered or mailed to the Commission's office address below, or by facsimile to 538-5205.

ALSO: It has come to the attention of AngelGroup that there have been some recent abuses of judicial discretion in regard to Child Support Orders in the courts of Judge Keith E. Tanaka (Maui) and Judge Paul T. Murakami (Oahu).

If any of you Angels have suffered abuse from the judiciary by being ordered to pay in violation of Guidelines, please email a summary to AngelGroup and include the following:

What evidence the judge had supporting an alternate ruling.

Palestinians Need Guns To Defend Against Armed Jews Occupying Their Land

Historical facts prove that east Jerusalem does not belong to Jewish-Israelis. But, Israeli Prime Minister Binyamin Netanyahu told lies to the 7500 attendees of the American Israel Public Affairs Council on Monday to support his false claim that "The Jewish people were building Jerusalem 3,000 years ago and the Jewish people are building Jerusalem today." He said expanding Zionist settlements deeper into Palestinians farm lands, that he was simply following the policies of all Israeli governments since the 1967 conquest of Jerusalem using US provided weapons in the Six Day War that was a massacre of unarmed Palestinians

Netanyahu mixed together Romantic-nationalist cliches with a series of historically false assertions. But even more important was everything he left out instead of considering laws, rights or common human decency toward indigenous Palestinians, who are not of his ethnic group. [see video AKAKU Zionist Jews]

So here is one Big REASON that Netanyahu is profoundly wrong, and East Jerusalem does not belong to Jews; and, why Palestinians need guns to defend, and the USA should immediately stop all fiscal and military aid to Israel.

In international law, East Jerusalem is occupied territory, as are the parts of the West Bank that Israeli military unilaterally annexed to its district of Jerusalem. The Fourth Geneva Convention of 1949 and the Hague Regulations of 1907 forbid occupying powers to alter the lifeways of civilians who are occupied, and forbid the settling of people from the occupiers' country in the occupied territory. Israel's brutal expulsion of unarmed Palestinians from their homes and farms in East Jerusalem, its usurpation of Palestinian property there, and its settling of Israelis on Palestinian land are all gross violations of international law.

Israeli claims that they are not occupying Palestinians' lands because the Palestinians have no state are cruel and tautological. Israeli claims that they are building on empty territory are vulgar. [see Akaku video: Zionist Jews vs USA]

Netanyahu's romantic nationalism imagines a "people" as eternal and as having an eternal connection with a specific piece of land. This way of thinking is fantastic and mythological. Reality is that peoples are formed and change and sometimes cease to be, though they might have descendants who abandoned that religion or ethnicity or language. Human beings have moved all around and are not directly tied to any territory in an exclusive way, since many groups have lived on most pieces of land on earth.

Reality is that Jerusalem was not founded by Jews, i.e. adherents of the Jewish religion. It was founded between 3000 BCE and 2600 BCE by a West Semitic people or possibly the Canaanites, the common ancestors of Palestinians, Lebanese, many Syrians and Jordanians, and modern Jews. But when Jerusalem was founded Jews did not exist.

Jerusalem was founded in honor of the ancient god Shalem. It does not mean City of Peace but rather 'built-up place of Shalem.'

The Second Amendment is a doomsday provision. One designed for those exceptionally rare circumstances where all other rights have failed – where government refuses to stand for reelection and silences those who protest; where courts have lost the courage to oppose, or can find no one to enforce their decrees. However improbable these contingencies may seem today, facing them unprepared is a mistake a free people get to make only once.

Bill of Rights 2nd Amendment: "A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"The people cannot delegate to government the power to do anything which would be unlawful for them to do themselves."- John Locke

"Those who make peaceful change impossible, make violent change inevitable." -- Robert F. Kennedy

Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.
