Pitch Baseball Training Begins

by Cindy Brito.

Greetings Baseball Fans! Molokai Little League sends it's heartfelt appreciation to all the volunteers who made this season of 7 - 8 Coach Pitch baseball such a success. Our Opening Ceremony was graced with an opening pule by Uncle Jimmy Duvauchelle, the riveting national anthem by Kawehi Horner, and an embracing, loving oration by our own Councilman Danny Mateo. Many thanks to Zachary Helm and our County of Maui for the immaculate Little League Park. Thank you, too, to all our Billboard Sponsors. To everyone who worked in the Press Box or Concession, helped to umpire and coach, put up the Billboard banners, rooted for a child, or savored Pronto Pops, saimin, and hamburgers. Thank you. Just remember to keep punching those FMC Kokua Cards and come support your favorite 9-10 and 11-12 year old players next month! As a reminder, Molokai Little League will be "parking cars" at the Maui Little League Carnival on April 15, 16, 17, 2005, in Kahului.

Hawaii Senate Bill 959 Attacks AKAKU -TV

This bill diverts a vital source of funding for PEG channels currently operated by Akaku: Maui Community TV, a private, nonprofit access organization that is locally accountable, nationally recognized and fully transparent.

Targets Maui, Molokai and Lanai for reduction of community access TV services. SB 959 would:

Silence the Free Speech of Maui County's community voices, and increase the State and County government controlled programs and messages.

Violate the Home Rule principle by overturning local decisions made in open public meetings in Maui County over a period of many years.

Divert community-based funds that are accountable with transparent local oversight in Maui Nui to opaque State agencies with decisions made on Oahu.

Create more centralized, less efficient methods to provide community access media for students, parents, teachers, faculty and staff on three islands.

Kill the Patriot Act TREASON

Public protest against the Patriot Act, was voted upon and passed by Congress without first being read and debated and measured against the Constitutional standard in a massive violation of their Oath of Office by each Congressman who voted for it. The Patriot Act allows the US government agents, like Russian KGB or Nazi SS and Gestapo agents to seize people and the records of people who are not suspected terrorists or spies is growing Nationwide, including in Hawaii: five states and 375 communities in 43 states to pass anti-Patriot Act resolutions effectively making the PATRIOT Act null and void in their area, and making it illegal for Federal or local law enforcement to take unconstitutional measures against residents in their jurisdiction, without normal due process of law. In short, it is a defense and reassertion of both U.S. and State Constitutional supreme laws., and more protests are in the works; maybe an armed revolution against our now Fascist government, because the Patriot Act is an act of TREASON by Congress, and The People today, as in 1776, won't tolerate it. Our government must be brought back in line with the Constitution, therefore, the Patriot Act must be TERMINATED! Our own government agents are the TERRORISTS we fear the most, and who are obviously doing much that is treason against all Americans. TERMINATE the Patriot Act, NOW !

IRS Tax Not Needed. IRS FRAUD

"Strictly speaking, it probably is not necessary for the federal government to tax anyone directly it could simply print the money it needs. However, that would be too bold a stroke, for it would then be obvious to all what kind of counterfeiting operation the government is running. The present system combining taxation and inflation is akin to watering the milk: too much water and the people catch on." —US Rep. Ron Paul

There is a great deal of chatter going on about "tax reform." Along with this dog and pony show the government drags out three or four times a decade comes all kinds of recommendations for alternative taxing schemes. None of this is new it's just a continuing smokescreen to pacify voters. One only need go through the Congressional Record back in the 1940s to see the discussions held by members of Congress on alternative taxing schemes.

Many desperate Americans are pushing for a "flat tax." Others are pushing for equally dangerous and unnecessary taxation on the fruits of their labor in the form of a national retail sales tax, consumption tax or value-added tax anything besides what is being enforced unlawfully now. But, is the income tax really an income tax? This is a very important legal point: The income tax is, therefore, not a tax on income as such. It is an excise tax with respect to certain activities and privileges which is measured by reference to the income which they produce. The income is not the subject of the tax: it is the basis for determining the amount of tax.

The Internal Revenue Service touts in all their propoganda that the fraudulently ratified 16th Amendment is what gives them the authority to impose a federal income tax. Seems they're at odds with at least one U.S. Supreme Court decision Stanton vs. Baltic Mining Co., 240 US 103 (1916): ... by the previous ruling, it was settled that the provisions of the 16th Amendment conferred no new power of taxation but simply prohibited the previous complete and plenary power of income taxation possessed by Congress from the beginning from being taken out of the category of indirect taxation to which it inherently belonged ..." In other words, the 16th Amendment did not give Congress any new power of taxation.

As the income tax becomes more and more oppressive, Americans are becoming desperate for any replacement. Be careful what you wish for especially any alternative taxing scheme which will only continue to feed the unconstitutional Federal Reserve banking system. No direct taxation is needed to fund the federal government. Not a penny of your income tax, whether you are a Democrat, Republican or any other party, funds the federal government. That "bacon" being brought home to your district by your favorite Congress-critter is done through borrowing debt heaped on the backs of your children and grandchildren for all their lives.

Your federal income tax dollars are also hijacked in "transfer payments" to the World Bank, the United Nations and the International Monetary Fund all grossly unconstitutional. There isn't a scintilla of authorization in Art. 1, Sec. 8 of the U.S. Constitution that allows Congress to steal from you to ship hundreds of billions to foreign banks, organizations or governments.

None of these so called "alternative" taxing schemes will do anything other than allow Congress to continue to steal from you and your children to fund their borrowing from the privately owned Federal Reserve banking system the most insidious swindle of the American people in the history of this country.

Eddie Aikau Show April 16, KGMB 5 pm

30-minute highlight show of the 20th anniversary Quiksilver In Memory of Eddie Aikau Big Wave Invitational. Staged at Waimea Bay on December 15, 2004, the event was held in epic 20-35 foot surf and was won by Kauai's Bruce Irons.

ALSO, April 19th, at 9 p.m. a one-hour documentary on Aikau's life with never-before-seen footage, Aikau's music, family interviews, photos, surfing footage, and commentary, 'Eddie Aikau - Hawaiian Hero' will air a second time on Saturday, April 30th, at 9 p.m.

Born in Kahului, Maui on May 4, 1946, Aikau was the third of six children. After the Aikau family moved to Oahu, Aikau became one of Hawaii's most respected big-wave riders, most notably at Waimea Bay, where he was also the appointed lifeguard. Aikau saved countless lives on Oahu's treacherous North Shore, but sadly lost his own during the ill-fated 1978 voyage of the Hokule'a double-hull canoe.

His life is celebrated each winter at Waimea Bay in the Quiksilver In Memory of Eddie Aikau Big Wave Invitational and his life story is now presented in Arnone's 'Eddie Aikau - Hawaiian Hero'.
