## NRA says Obama the Usurper Waiting 2nd Term to Gut the 2nd Amendment

Obama will wait until a second term frees him from political concerns to gut Second Amendment rights, NRA Executive Vice President and CEO Wayne LaPierre tells Newsmax.TV in an exclusive interview.

LaPierre also called for the resignation of Attorney General Eric Holder over a Bureau of Alcohol, Tobacco and Firearms sting that sold weapons to figures associated with the Mexico drug trade. "Operation Fast and Furious may have gotten one or perhaps two federal agents killed, and countless other innocent victims have been murdered with the illegal guns that our own government allowed into Mexico all to advance a political agenda," he said, adding that Holder has claimed he didn't OK the sting.

"He's the attorney general of the United States of America – the highest law enforcement officer in our land," LaPierre said. "Who's in charge? If he didn't know, then who's minding the store? If Holder didn't know, Holder has got to go."

LaPierre demanded that Obama et al stop the stonewalling, and stop the lies because the lying is getting people killed every day, as Obama and Hoder "...has been willing to let people die to advance their assault on the Second Amendment.

Obama says he supports gun rights, but he put Sotomayor on the Supreme Court along with Elena Kagan who will spend the next 25 years trying to gut this freedom in this country. "

LaPierre said Second Amendment freedoms need to be defended every day or be lost. He said the greatest threat was posed by elites and politicians whose lives are protected with all kinds of armed security and yet they want to deny the American public the right to protect themselves.

"We have 25,000 violent crimes a week in this country," he said. "The 911 calls are horrible and the government is not protecting those people. ... The only thing those law abiding people have is the Second Amendment and the right to own a firearm to protect themselves."

He said that armed, law-abiding citizens is the only thing that keeps us safe and maintained the only "time government stops crime is if it's lucky or coincidence."

Obama leafleted the heartland of the country last time saying he would always defend the Second Amendment.

Now we have Sotomayor and Elena Kagan on the Supreme Court and one more nomination could tip this vote the other way and destroy gun rights freedom in this country."

If police are going to issue permits to legislators and judges and prosecutors, then obviously they see the **PURPOSE** of concealed carry for same reasons we demand our right to keep and bear arms: security of our free state, protection from criminals and tyrants and terrorists.

No more need for permits, no need for registration, microstamping, no more quarrel with open carry, or other gun laws. Nobody needs a permit for self defense !

Tyrants see it this way: "A system of licensing and registration is the perfect device to deny gun ownership to the bourgeoisie." - Vladimir Ilyich Lenin

**Bill of Rights 2nd Amendment:**  
**"A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."**  
**Wake up militia! Use it , or lose it ! Got your gun, yet?**

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

## Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

## Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

## Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

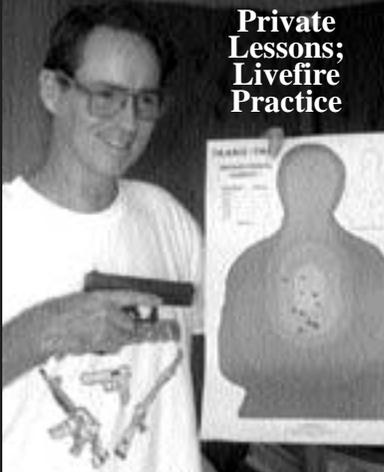

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

**Wake up ! Enforce the Bill of Rights !**

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

# Obama Murdered Osama Bin Landin

## Obama Murders for Political Gain

The potential political liability of a failed conspiracy to murder his political enemy was greater than the potential political benefit, so illegal alien-Usurper POTUS. Obama, as Commander in Chief of War Racketeering, on April 29 Obama ordered up the elite ST-6 killers to do the job without fail, ASAP.

Reports from Obama-News indicate that on May 1, 2011, Obama played a round of golf, then turned on the TV with a bunch of his co-conspirators [photo below] to watch live the play by play down raid and murder action.

Boy-o-boy, that was riveting, dramatic, best episode of "24-TV", ever!

Obama publically bathed in the glory of Bin Ladin's blood after his ST-6 killers succeeded in their murderous mission. It only cost American taxpayers a billion dollars for the helicopter destroyed by crashlanding in Bin Landin's front yard at 230am, \$1-million fuel to drag OBL's corps hundreds of miles to be dumped at sea, and murdered several other people at OBL's home, shot OBL's wife in leg, and left several witnesses including OBL's 13 year old daughter who reportedly testified she witnessed Obama's ST-6 killers shoot to death her unarmed father in cold blood, then burgularized the home. Of course, Obama-Chicago-DEA-style, no search warrant needed to murder the politicaly condemned OBL who denied any connection to 9/11/01 after Bush/Clinton/Israel cabal accused him, and used OBL as an excuse to attack Afghanistan, then Iraq for oil and to make Israeli Zionist Jews safer from the Arab natives.

Cold blooded pre-meditated murder of Osama Bin Ladin was ordered by Barack H. Obama aka Barry Sotero aka Usurper of Office of President of USA where he operates the most vicious, ruthless, bloodthirsty, anti Constitution anti-American socialist/Marxist War Racket with no respect for Oath of Office, Bill of Rights, Sovereignty of We The People, not even the Sovereignty of any foreign Nation except his terrorist friends who call themselves Jews in Israel and control POTUS and Congress and Banks and Media in USA. Obviously, Obama et al did not want OBL alive to tell again that he and Afghanistan had nothing to do with 9/11/01, Iraq had no WMD which would add further damnation to Obama's lies and treasons and bring focus back onto "W" and Clinton et al who are the real conspirators with Jewish Mossad and Larry Silverstein in 9/11 and to make Patriot Act pass, make war on Israel's enemies, steal oil resources, and bring down three old sky scrapers at a fraction of the cost Silverstein would have had to pay to take them down EPA, then destroyed crime scene evidence, and further coverup it up with the Congressional Committee on 9/11/01 report that ignored all evidence of demolition vs airplane crash on 9/11 and amounts to obstruction of justice and treason. Obama murdered Osama, and he should be prosecuted for Murder in the First Degree along with all his complicit aids and the military elites who just follow orders like good Nazis always do instead of REFUSING UNLAWFUL ORDERS from Obama the USURPER in CHIEF of War Racketeering, and #1 Domestic Enemy of the Constitution! ## The Book that forced Obama's BC-Out!

Jerome Corsi's expose prompted Obama to release another fake "birth certificate" to try to stop accusations that he is not a qualified Natural Born American Citizen as required by the Constitution to hold the Office of POTUS. This book proves Obama is NOT eligible to be sitting in the White House. He's not qualified. He doesn't meet the test. And Obama himself has provided all the proof we need to draw that conclusion. **Order book toll free: 1-800-496-3266**

# Why Did Obama Murder Osama?

Osama Bin Laden [54] was unarmed when he was Murdered in Cold Blood by US SEALS on Orders from Barack Hussein Obama. He was shot in the chest and head on Sunday, May 1 before dawn in his bedroom after OBL's wife rushed at these criminal home invaders who came there to murder her husband. She was shot in the leg.

Obama's lies flying like flies, now Obama's hero story changes. White House spokesman Jay Carney said Bin Laden's wife "rushed" the first US assaulter who entered the room where they were, and was shot in the leg but not killed as previously reported by Obama. White House officials also said the woman who was reportedly killed in the firefight was being used by Bin Laden as a human shield, but that was a lie.

They said OBL was shot in a firefight with US SEALS, but Bin Laden was unarmed and was murdered in cold blood in front of his daughter and wife on order of Barack H. Obama, et al. Oh, yeah, Obama and TS-6, heros or terrorists?

According to the CIA, Bin Laden, aged 54, was the founder and leader of al-Qaeda. He was accused by President W. Bush et al to have ordered the two airplane attacks on New York Twin Towers and Pentagon on 11 September 2001, as well as a number of other deadly bombings, all of which Osama Bin Ladin denied. No evidence was ever produced by FBI or CIA.

With OBL now reportedly dead, Clinton, Bush, and Obama and NeoCon Zionist-Jews of Israel and Mossad no longer have to worry what truths might be revealed by testimony if Osama were take alive and put on public trial.

Obama and the CIA said they did not tell Pakistan about the May 1 raid in advance over their fears that Pakistani leaders would jeopardise the mission.

This was SHOW TIME ! Just like WACO 1993 show of force, i.e. tyranny!

This criminal unilateral action was admittedly ordered by Barack H.

Obama, and the circumstances and timing leads to the conclusion it was show-time for public relations and to make Obama look like a hero and distract from Obama's eligibility critics who point out that Obama is an unregistered alien unqualified to be POTUS and an enemy of the Constitution

Obama's political black hole is deep.

There is the lawsuit being heard in California on May 2 to force Obama to produce all his documents normally available regarding POTUS .

There is the best selling new book at Amazon "Where's the Birth Certificate" by Dr. Jerome Corsi that delivers on the promise to prove Obama is a fraud and not eligible to be POTUS even as the mainstream press continues to ridicule "birthers" as conspiracists, kooks and racists, dozens of lawsuits cite Obama's dual citizenship and other problematic parts of his past as unequivocally disqualifying him from the U.S. presidency according to the original meaning and intent of the Constitution. In fact, Obama's release, after years of stonewalling, of what is purported to be his long-form birth certificate, was a preemptive strike against this book. As the Washington Post has documented, it was April 21 that Obama had his team of lawyers contact Hawaii about releasing the document. That would be exactly one day after "The Drudge Report" featured Corsi's book, propelling it to top bestseller status. In this controversial new book, going far beyond the issue of birth certificates, Corsi documents conclusively that no legal authority has ever verified Obama's legal eligibility to be president, that glaring inconsistencies, blackouts and outright fabrications in his life narrative have generated widespread doubts, and that, in fact, a compelling body of evidence says Obama is not a natural-born citizen as is required of all presidents by Article 2, Section 1, of the Constitution. In "Where's the Birth Certificate?," you'll read how: Obama was born a dual citizen of the United Kingdom and the United States, a circumstance the Constitution's framers considered an iron-clad roadblock to the presidency.

As a boy, Obama was officially registered in school as a Muslim and Indonesian citizen, another barrier to U.S. natural-born citizenship.

The press and blogosphere reported that Obama was born at Queen's Medical Center in Honolulu – before deciding he was born across town at Kapi'olani Women's and Children's Hospital.

The Congressional Research Service, a public policy arm of Congress, officially admits no one in the government ever vetted Obama's eligibility.

Jerome Corsi ferrets out previously unknown facts, documents the law, connects the dots, champions the clear intent of the Constitution's framers and in so doing pieces together a devastating indictment. Order book: 1-800-496-3266

The result of three years of exhaustive research involving investigative trips to Kenya, Hawaii and points in between, "Where's the Birth Certificate?" establishes the case not only that Barack Obama isn't legally qualified to be president, but that, aided by his media co-conspirators, he has conducted one of the most audacious cover-ups ever perpetrated at the highest level of American politics.

And, last but not least, Obama just announced he will campaign for reelection in 2012, and he needs some hero status now to float out of the black hole.

## LETTERS to EDITOR:

Dear Editor,

I commend Hawaii's Governor Abercrombie for his admitted failure to discover Obama birth certificate. Now, due to Donald Trump's pressure, Chairman Obama has issued a PDF file of his long form. The only problem is that the file is a multi layered PDF file which can be delaminated to see how the document was fabricated. That White House file was not created by a simple scan of a document! You may still be able to down load it, as I have, just incase Obama decides to dump the evidence into the ocean like Osama's alleged body.

Sincerely, Joseph DuPont 908 754 7989

Dear Editor: Osama dead= USD keeps World reserve status?

The death of Osama bin Laden means the U.S. military is quick and powerful and can do what it wants. It also means that since the U.S. military is that unrivaled, then the dollar will stick around as the world's only reserve currency.

"History shows us that the country with the strongest military is always the reserve currency," Steve Cortes, founder of the Veracruz market-research firm.

[Editor's Note: maybe that is yet another reason to re-investigate 9/11/01 Official Story that Arabs/Bin Ladin did it, because that stands out as the most powerful and sophisticated military attack in history, but Arab's money is not running anything in USA. It was an inside job by Bush/Clinton/Israel, and that is why the USD is still the World Reserve Currency per that perspective. ]

"I think the ability of those heroes, of SEAL Team 6, to project power globally shows us that U.S. military is uncontested in its dominance, and I think the currency will re-assert accordingly.

## Obama Birth Certificate? Hospital ? Negro ?

"Kenya" didn't even exist until 1978 although Obama was born in 1961.

That particular hospital was named KAUIKEOLANI Children's Hospital until 1978 and did not become KAPIOLANI Maternity and Gynecological Hospital until 1978, which was seventeen years AFTER Obama was born. The birth certificate is an "abstract" which means it is a copy, not the original, or even a copy of the original. Also, his father's "race" is listed as African which IS NOT A RACE, EVEN NOW. At that point in time, he would be listed as "NEGRO". Shaky ground. If this "document" is what you are basing Barack H. Obama's eligibility to hold the highest office in the land, purporting that it proves that Mr. Obama is a "natural born citizen, then you are both guilty of fraud.

=====

## Pelosi FlipFlop on Obama Killing

When Pres. Bush was still in power leading the hunt for the his most wanted terrorist OBL, California Democrat House Speaker Nancy Pelosi said capturing or killing Osama bin Laden was not vital to national security. "Even if he's is caught tomorrow, it is five years too late. Even to capture him now I don't think makes us any safer," she said five years ago.

But now the murder of Osama Bin Ladin has been admitted by Barack Obama et al, and Obama-democrat is a member of her own party, Pelosi has changed her tune. "The death of Osama bin Laden marks the most significant development in our fight against al-Qaida," she said on Monday.

## Osama Bin Ladin Dead Years Ago of Kidney Failure

OBL killed by American Special Forces. These soldiers then took his body, and buried it at sea.

That's the story from Obama. But I don't buy it.

Just to be clear, I do not believe Bin Laden is still alive. I believe what a lot of intelligence analysts have been privately saying for a long time now: That Bin Laden died of kidney failure in December 2001, and that he was buried by his followers in an unmarked grave in the mountains between Afghanistan and Pakistan.

After all, it was a known fact that Bin Laden had severe kidney problems. People who spoke with him in 2000 and 2001 said how sick he looked, and described symptoms that matched kidney failure. From these accounts, the international intelligence community was pretty much in agreement that he had some sort of severe kidney problems. Without dialysis or a kidney transplant—neither which would have been available to him in the aftermath of 9/11—he wouldn't have much chance of long term survival.

From 2002 onward, there hasn't been a single undisputed Bin Laden sighting—even though he was supposed to be the most hunted man on earth. Furthermore, in Bin Laden's videotaped rants that were periodically released, he never referred to current events. The only times he did refer to current events was on some of the 30 audio tapes he allegedly released over the last ten years—"allegedly" because many of these audio tapes are in dispute, as to whether they actually were made by Bin Laden or not.

Moreover—and most tellingly—the American military's efforts to capture Bin Laden "dead or alive" in W.'s ridiculous phrase dropped to almost nothing after 2003. Many people from both the Left and the Right wondered at this dismissal of Bin Laden as a viable threat by the defense and intelligence communities—his dismissal even as someone to worry about, or even take seriously.

After 2003, for the next eight years, the American military offered up a mere token effort to find him "dead or alive". An attitude that makes absolutely no sense at all—unless you already know that the man is dead, and that his body will likely never be found.

Facts show that Osama didn't actually present a risk to the U.S. You'll recall that he said he was angry at USA for three reasons: 1) the U.S. had its troops in Muslim lands; 2) the U.S. was supporting the stooges running those countries; and 3) the U.S. was supporting Israel, which he deemed an oppressor of the Palestinians. Therefore, the U.S. should desisted from those things.

Extra-judicial assassination is not "justice"—it's merely revenge, something that Christianity, the dominant morality of the United States, specifically rejects. Don't believe me? Read Matthew 5:38, or more apropos, Luke 6:27.

Justice would have been served if Osama had been captured, flown to New York, and tried in a (civilian) court for the events of 9/11. The sad thing is, we'll probably never know the truth—which is a pity. The fact that bin Laden is now acknowledged to be dead will change nothing - certainly not for the better. I find it shocking that the agents [Obama et al] of the U.S. government just kills people in USA, and abroad, without even a show trial like Saddam got.

History does not long entrust the care of freedom to the weak or the timid.

# Three Unanswered Questions:

**Was Barack Obama Born in Kenya?**

**Is He Really a Citizen of Indonesia?**

**Does the Constitution still Matter?**

*We the People*

**OBAMA IS A USURPER!**

U.S. Constitution, Article II, Section 1, Clause 5 . . .

No person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any person be eligible to that Office who shall not have attained to the Age of thirty five Years, and been fourteen Years a Resident within the United States.

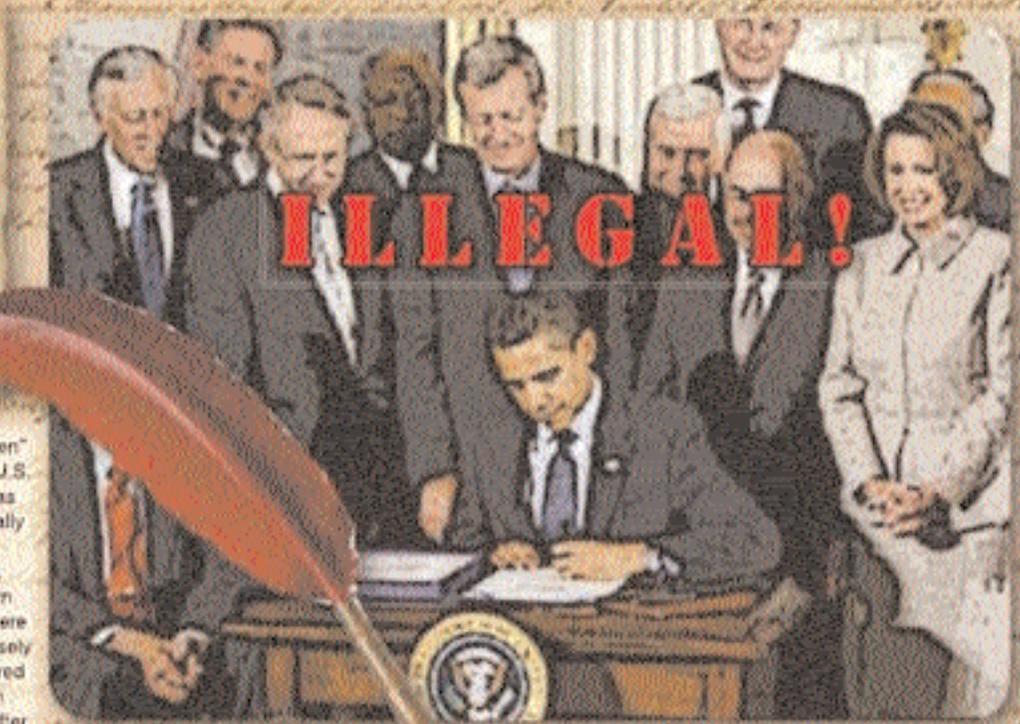

**DEFINITION**

The natives, or natural-born citizens, are those born in the country, of parents [both] who are citizens.

Emer de Vattel, "The Law of Nations and Principles of Natural Law," Vol. 1, Chap. 19, Sec. 212

"Citizen" of the U.S. if he was physically born in Hawaii, not born elsewhere and falsely registered as born there after the fact.

At birth, Barack Obama acquired dual citizenship through his British non-U.S. citizen father. Our Founders excluded dual citizens from eligibility to the Presidency for national security reasons.

Every military order Barack Obama gives as Commander-in-Chief, every bill he signs into law, and every executive decision he makes while unconstitutionally seated in the Office of President, are unconstitutional, and hence illegal. Obama is NOT a "natural born Citizen" of the USA.

The U.S. Courts and Congress MUST address the merits of the charges for this constitutional issue, and constitutionally remove Barack Obama in order to preserve, protect and defend the Constitution of the United States. This is their sworn Oath to the Constitution and to the American people.
