## Mark of the Beast Watch: Bush signs bill to take all newborns' DNA

report by George Peabody

President Bush has signed into law a bill which will see the federal government screen the DNA of all newborn babies in the U.S. Patriots and Libertarians have described this project the Bush Administration and Congress claim to be part of security measures needed after 9-11-01 attack on America [actually Bush et al did it, it was an inside job!] as the first step towards the establishment of a national DNA database, and a National I.D. data base, a scheme that is un-Constitutional and un-American.

The new law S. 1858, known as The Newborn Screening Saves Lives Act of 2007, is meant to represent preparation for any sort of "public health emergency." Sections of the bill make it clear that DNA from the children may be used in genetic experiments and tests without parents' permission or knowledge. The Bush Administration says it is just a "national contingency plan".

Twila Brase, president of the Citizens, Council on Health Care, says it represents the first program of populationwide genetic testing, and she does not know any contingency that would require such a measure by federal agencies. **MAKAALA !!!**

The annual May Day is Lei Day Program at Kilohana Elementary School was among the celebrations held at each of Molokai's schools. Following opening remarks by Principal Leighton Kawai, the Court was introduced by conch shell blowers Keoni Makekau and Kaimana Kahalewai, and Chanter Ku'uipo'onalani Quiniones and flower girls and Royal kahili bearers.

Queen's Hula, by Makaanani Place was a moving dedication to her late Uncle Rodney Place.

## Molokai's Forum For Freedom Individual's Sovereignty vs Slavery

by George Peabody ph. 558-8253 email:

"We have staked the whole of all our political institutions upon the capacity of mankind for self-government, upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God."—

**Bill of Rights 2nd Amendment:**  
**“A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.”**

**Wake up militia! Use it , or lose it ! Got your gun, yet?**

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

## Enforce the Bill of Rights !

HOSEA 4:6—

### My people are destroyed for lack of knowledge.

What is so sad about all of this is that the most people go about their daily lives with little or no knowledge that Organized Crime is running our government. Have you heard about it in the lamestream TV or newspapers? Why not?

The price of freedom is eternal vigilance and enforcement of constitutional limits on government agents. Hold them accountable; punish them for wrongs! Protect and defend our Constitution, Bill of Rights, and Unanimous Declaration!

Thomas Jefferson stated: If a nation expects to be ignorant and free, in a state of civilization, it expects what never was and never will be. No nation, in which the people have abrogated their responsibility in overseeing their instruments of government, has stood the test of time and Tyrants.

## Ron Paul Persisting as GOP Candidate for President

The media has reported war supporter John McCain has won the GOP nomination for President, but he may prove to be un-qualified according to a legal challenge because he is a naturalized Citizen not a natural born Citizen. If so, anti-war constitutionist Ron Paul will be the only qualified GOP candidate.

Ron Paul personally addressed the Hawaii delegates from all islands via teleconference this past Sunday. He re-stated that he is not dropping out and would continue to campaign in states that still had upcoming primaries.

Hawaii field director for Ron Paul for President campaign in Hawaii reported that Ron Paul stressed that the Revolution has just begun and we will continue well past this election. Many of us here in Hawaii will be running for office at the local and state level as well in an attempt to provide principled, constitutional leadership to the GOP and the state.

LETTER to EDITOR

George, this news is truly a God send,.. it is up to the American people to see that the Law is up-held,..A vote for the Current Candidates is a vote for the NWO..It is the duty of the Citizens to defend their Country against their government, (Thomas Paine) resulting in they deserve the Government they get !!

Laura Light, Honolulu

It just sickens my stomach that the Citizens of Hawaii let this abominable situation with Linda Lingle go on !! Now, we will see what the American People will do with the golden chance of having a Leader who have the American People's interest at heart,..i.e. our life, liberty, pursuit to our happiness, Government out of our lives, IRS/Federal Reserve, also and changing our Foreign Policy, bringing our Boys home from War and all Foreign soil,..Why in God's Good earth would every America Citizen not be thrilled to to have our Constitutional Republic returned to us from these nasty Goblar Elite controlling our Government???? from Laura Light, Honolulu

### Opposing FY2009 Military Aid to Israel

Secretary Rice's role in the Israel-Palestine negotiations and the peace process are secretive, and to date, no one dared to question the \$30 billion in military aid to Israel. But, use of U.S. weapons by the Jewish state to enforce their illegal military occupation of Palastine and to commit human rights abuses places it in violation of the Arms Export Control Act and Foreign Assistance Act.

HCongresswoman Betty McCollum would not let Secretary Rice off the hook easily: "Settlements built by Israel in the West Bank violate the 'Road Map' to peace." McCollum said that Secretary Rice has been powerless to stop Israeli military from continuing policies that are obviously counteractive to the peace goal. Because Israel continues to violate U.S. law, the United States must cut off military aid.

Senators Hillary Clinton and Barack Obama have strong records of support for Israel, as does John McCain, so if elected, they will continue the crimes.

If you want real honest Constitution-based corrections to government corruption that is destroying our Bill of Rights, and our economy:

**Vote Ron Paul or Chuck Baldwin for President**

## Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

## Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

**Wake up ! Enforce the Bill of Rights !**

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

**Mothers' Day Shootout May 11**

by George Peabody for MOM's Firearms Safety Class

**2nd Amendment Mothers' Day Shootout !**

Mothers' Day May 11 is Ladies Day at MOM's target shooting range at Waialua MP 19 Kamehameha Hwy, and Mothers, Daughters, Sisters, Aunties, and cousins are cordially invited to our Mothers' Day Second Amendment Target Shoot on Sunday, May 11, 2008 in Waialua, Molokai, Hawaii. Please call me at 1-808-558-8253 for any assistance you need to attend, or for more information.

Hawaii State and federal gun law "does not specifically deal with a subject delegated to Congress under Article I, Section 8 of the U.S. Constitution, and is therefore ultra-vires, i.e., un-Constitutional, under the Tenth Amendment as determined in United States vs. Lopez." Therefore, MOMs can support and exercise their personal right to self defense and help secure a free society as defined by the 2nd Amendment of our Bill of Rights ["...the right of the people to keep and bear arms shall not be infringed."] on Mothers' Day.

"Shall not be infringed" permits for no prior restraint, period.

Un-Constitutional gun control laws, both federal and Hawaii State Statutes to require a permit and license for the keeping and carrying of arms are compelling and coercing American Citizens to serve under threat of being held in contempt of court and/or put in jail for exercising our Right to keep and bear arms. These laws and government authorities cannot force any American Citizen to surrender a Right under any situation, or otherwise, fail to protect our Rights, or not let us protect ourselves from criminals. The 2nd Amendment Right to keep and bear arms is binding on the states including Hawaii, therefore HRS Chapter 134 is null and void.

Painful as it may be to hear it, there's nothing special about the American people that sets us apart from the other people of the world. It is the Bill of Rights, and only the Bill of Rights, that keeps us as a society from becoming just another of the world's banana republics. If you forget that or don't support the Bill of Rights, the united States of America we know is lost.
